Maehe / March 2024

Kia hora te Marino

Kia whakapapa pounamu te Moana

Kia tere te kārohirohi i mua i tō huarahi

*May peace be widespread, may the sea
glisten like greenstone, and may the shimmer
of light guide you on your way.*

A karakia / blessing on all who travel.

Kia ora tātou e te whānau,

Whoa... March is here and it's gonna be a packed month with activities and events both in the studio and the wider community. First of all a big cheer for Tiki Coveny, Yon Yi and Alexandria Tasker who have organised and curated their own exhibition and series of workshops at Pātaka Gallery in Porirua, titled Hono Aho - Connecting Lines. We will be taking a group outing there on Monday 25. Zhiyue Bo currently has a solo exhibition on at Vincent's Art Workshop which we shall arrange an outing for TBC - great work Zhiyue. There will also be outings to Pete's Emporium, the Dowse, and Rembrandt Remastered this month. We are resuming our artist run workshops in March, starting with Glenna's Crafting Accessories workshop on Tues 19th. We will also be celebrating Mullet Matters Mental health awareness by reimagining famous artworks with mullets titled "Mullet Masters." Talk to a tutor if you want to get involved with any of these activities or need further information. Apart from that we will be running our regular workshop programme. If you are looking for something to do in the community Newtown festival is on Sun 3rd and the Pride Parade is on Sat 9th. Get amongst it.

Ngā mihi nui,

The Team

Tip:

Look like an Artist - If you are out and about try and consciously alter your perception by viewing the world like it's an artwork, construct compositions in your mind from your surroundings, visualise their forms, colours, shapes, lines and textures, observe human/animal interactions and imagine how you can translate them into artworks. Start seeing the world through artist eyes.
