<p>Karakia for meetings Pou hihiri Pou rarama Pou o te whakaaro Pou o te tangata Pou o te aroha Te pou e here nei i a tātou Mauri ora ki a tātou Haumi e, Hui e, Taiki e!</p>	<p>May clarity be yours May understanding be yours Through reflection Through personal endeavour Through respect The virtues which bind us as one May we be filled with wellbeing Join, gather, unite!</p>	<p>Kia ora e te whanau, Welcome back for another month. As we are settling into autumn and the weather is cooling we will spend more time indoors which means more time with ourselves to reflect and explore creativity and artmaking. There are a number of events and workshops happening both within the studio as well as in the community. To celebrate the art of comics we will be holding a number of introductory workshops to make your own, supported by documentaries, examples and discussion groups. There are also a number of things happening in the community including a Marvel comic show, Armageddon convention as well as a comic fest and comic and zine market in early May. The results from Mullet Masters are up on the wall looking fabulous and excellent works were produced and are ongoing for both Glenna's Crafting Accessories workshop and the reduction linocut workshops. Ngā mihi nui, The Team</p> <p><small>Tip: Looking for another way to approach your art making? Try harnessing your other senses for your art. Try drawing or painting what you hear, taste/smell and or touch. It's a good way to express things non representational and lends more to a more emotional response to art making.</small></p>
