We have our regular workshop programme this month, with some extras such as a special Artis run workshop on how to paint panoramas and a comic workshop on wednesdays. In addition keep your eye out for off the cuff demonstrations and/or tutorials by our tutors showcasing techniques and materials. Have an excellent month everyone.</p> <p>Ngā mihi nui,          The Team</p> <p><b>Tip of the month</b>  <b>Note it down</b> - Working on individual artworks more often than not generates new ideas for other works or series. Keep a running list of ideas that pop into your head that you come back to at a later date. If you pop them in a journal or visual diary you can quickly develop them further as sketches or finished work if and when required.</p>
