Porirua City Community IT Educational Trust
e-Learning Porirua

Objectives of the Trust

We want to:

- Help you and your children to gain or improve your skills in the use of a computer.

- Raise your skills in the use of computers so that you may be better able to get a job.

- Provide a computer in your home with internet access and on-going personal support for you in its use.

Because this is what we want, we need to set certain conditions for people applying for our courses.

Conditions

You may be entitled to apply for one of our courses if:

1. You are not able to use a computer to a NZQA Level 2 standard.

2. You do not have a computer in your home (or if you do, you do not know how to operate it)

3. You are not engaged in full time or highly paid work.

4. You have school/pre-school aged children, or are the person responsible for caring for school aged children.

5. You live in Porirua City

If you believe that you *do* qualify to apply for our course, please complete the application form.

The information given is confidential and will only be used by e-learning Porirua and Computers in Homes.

You will have to complete **80%** or more of the course to receive an attendance Certificate, a Computer and 12 months subsidised internet.
