

KAIPARA ULTRASOUND

Policy on multiple pregnancies:

Date policy was created	29/01/22																				
Purpose of policy	To make patients, referrers and staff aware of time considerations and cost of assessing a multiple pregnancy.																				
Background	<p>A multiple pregnancy is a pregnancy where you are carrying more than one baby at a time.</p> <p>At Kaipara Ultrasound we are very happy to ultrasound multiple pregnancies, however these scans require more time. We want to give each of the unborn babies and their placentas the same excellent attention to detail and care.</p>																				
Cost	<p>Because scanning a multiple pregnancy takes significantly extra time, these scans will incur an extra cost. Please contact us to discuss your scan requirements and we will inform you of the cost. Usually it is the amount stated below in this table:</p> <table border="1"> <thead> <tr> <th></th> <th>Dating</th> <th>Nuchal/12w</th> <th>Anatomy</th> <th>Growth</th> </tr> </thead> <tbody> <tr> <td>Twin</td> <td>\$50</td> <td>\$100</td> <td>\$100</td> <td>\$100</td> </tr> <tr> <td>Triplet</td> <td>\$50</td> <td colspan="3">Please contact us.</td> </tr> <tr> <td>Quad +</td> <td>\$50</td> <td colspan="3">Please contact us.</td> </tr> </tbody> </table>		Dating	Nuchal/12w	Anatomy	Growth	Twin	\$50	\$100	\$100	\$100	Triplet	\$50	Please contact us.
