Mayoral message

Haere mai ki Whanganui. Whanganui prides itself on giving newcomers a warm welcome. If you are reading this you may be thinking of moving to Whanganui or have already made the choice. You'll find an immediate sense of connection and real New Zealand authenticity here.

We're a small city with more amenities than most. Great shopping, supermarkets, an excellent hospital, availability of ultrafast broadband, wonderful schools and brilliant events are easily accessed and enjoyed.

We have plenty to offer everyone including parks and reserves, cycleways and walkways and an abundance of creativity and heritage.

The latest Census data shows that the district's population is growing. People who have moved here often tell me how easy they've found it to relocate and become part of our community.

We're pleased to be a participating council in the Welcoming Communities programme and have developed a Welcoming Communities Plan in partnership with our community.

This will ensure all newcomers to Whanganui have a sense of belonging, enabling them to thrive in and contribute to the Whanganui community.

Our new arrivals enrich our community with new perspectives and culture. I appreciate this wonderful diversity every time we gather for one of our regular citizenship ceremonies.

There has been a big surge in beautification projects happening in Whanganui over the past year. They range from a street art festival to a scheme that funds heritage enhancement work on our heritage buildings.

In October 2019 we were pleased to win the Most Beautiful City and

Best Street categories in the Keep New Zealand Beautiful Awards. The awards celebrate towns, cities and local heroes who lead the way with outstanding environmental and beautification work. These wins showcase the town centre

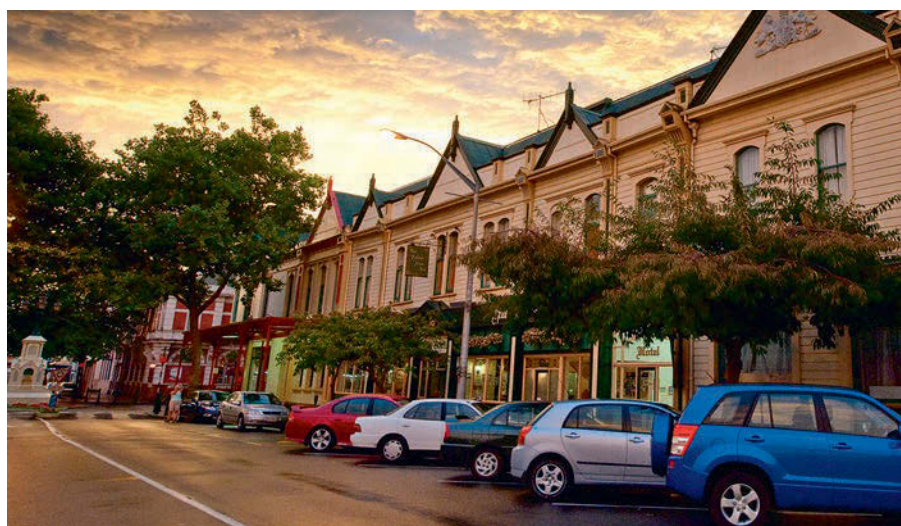

regeneration work and sustainability initiatives that are in our community.

In 2019 we also celebrated our first-ever Heritage Month, which also marked some very important anniversaries including the centenaries of the beloved Durie Hill Elevator and the historically and architecturally significant Sarjeant Gallery Te Whare o Rehua Whanganui.

The icing on the cake at the Sarjeant's 100th birthday celebration was the announcement that twelve million dollars will be allocated from the Government's Provincial Growth Fund to assist the redevelopment of the gallery. This support demonstrates confidence in Whanganui's future, in the Sarjeant Gallery and in the role of the arts in regional economic development.

It's also exciting that Whanganui is becoming an important aviation training centre. In 2019 the New Zealand International Commercial Pilot Academy was awarded a multi-year, multi-million-dollar contract

to train pilots under a cadet pilot programme for India's most successful airline. The partnership will include hundreds of IndiGo Airlines pilot students living and training in Whanganui over the next few years.

As always, there is a lot going on in Whanganui and a lot planned

for the future. We are in an exciting place at the moment and it gives me great pleasure to welcome you to Whanganui.

Ngā mihi nui.

Hamish McDouall
Whanganui Mayor

Whanganui District Council

Whanganui's district boundaries fall across the ancestral boundaries of Tamaupoko and Tupoho on the Whanganui River, the South Taranaki iwi Ngā Rauru Kītahi and Ngāti Apa of Rangitikei. Customs, tikanga (protocol) and values including manaakitanga (hospitality) and kaitiakitanga (guardianship) emphasise the affinity of Māori with their ancestral landscapes and culture.

A Welcoming Community – Diversity is an important part of Whanganui's character and newcomers from around the world find a warm welcome here. In keeping with our famous hospitality, Whanganui is one of New Zealand's first accredited Welcoming Communities. Helping newcomers to feel they belong in Whanganui means they can more readily participate in and contribute to our community.

A Safe Community – Safer Whanganui is a community-led collaboration that provides leadership and direction, with everyone working in partnership to create a safer community for all. The Safer Whanganui Strategy covers all people, all ages and all ethnicities living, visiting or passing through our district. This strategy has been developed by the Safer Whanganui steering group. We want a community that is an attractive place to live in, work and visit, where people can go about their daily activities in an environment without fear or risk of harm and injury.

Positive Ageing – Whanganui District Council is committed to promoting positive attitudes to ageing in Whanganui so that older adults are

at the heart of our community and are able to be as informed, active, healthy and independent as possible. In 2019 an Age-Friendly Plan was developed for Whanganui. Actions in the plan are based on the eight essential criteria of an age-friendly community. This plan aims to build on this, continuing with the great work, enhancing where needed and looking for new initiatives to fill the gaps.

Sister Cities – Our Sister Cities programme provides us with a platform to develop international friendships, leading to a mutually beneficial exchange of ideas and the development of social, cultural, economic and educational opportunities. Whanganui and Nagaizumi-cho in Japan became sister cities in 1988. There are now strong social, cultural, sporting and educational links between the two cities. The sister city relationship with Toowoomba in Australia was forged 37 years ago and there are regular visits between the two cities. In February 2019, Mayor Hamish McDouall travelled to Lijiang in China to formally sign an agreement for a strategic relationship between Lijiang and Whanganui. Formalising this relationship is the first step in a commitment to identify and develop mutually beneficial economic, cultural and social outcomes.

Having Your Say in Our Community Understanding the views, needs and interests of our community is important to the Council as it enables us to ensure that what we are working on is aligned with what you – our community – wants. We welcome engagements with all members of the community, and provide a range of ways that

you can share your views with us. These include all the channels you'd expect such as by email or phone as well as through our website and Facebook page.

Our District, Your Say is an online community panel where we send information about Council activities, surveys and engagement opportunities to you via email. We want to hear from residents, ratepayers, business owners, workers, students and volunteers – anyone who is part of our community. There are two requirements for membership to Our District, Your Say.

You need to:

- be a resident, ratepayer, business owner, worker, student or volunteer in Whanganui
- be happy for us to send information to you by email about Council activities and engagement opportunities.
- Recently we've engaged with the Our District, Your Say panel on topics like:
 - the Councils' Housing Strategy
 - climate change
 - a fireworks survey
 - a speed limits review

For more information and to learn how to become a member, visit: www.whanganui.govt.nz/our-district/have-your-say

We continually look into ways we can increase our community engagement and responsiveness. If you have any ideas that you think would help us to do this, please call us on 06 349 0001 or share your ideas with us by emailing yourcouncil@whanganui.govt.nz

ELECTIONS

New Zealand's system of government is a representative democracy. Each voter has a say in who represents them in Parliament and in local government.

New Zealanders over the age of 18 can vote in general elections, local elections and referendums.

If you're a citizen or permanent resident aged 18 years and over, you must enrol to vote. Voting is not compulsory, but it does give you a voice in our democracy. Everyone who is enrolled to vote is also eligible to be a candidate for election as a member of Parliament (MP).

In local elections, we choose who represents us on our local and regional councils and health boards. Local elections are run by local councils and held every three years by postal vote. The most recent local elections were held between **20 September and 12 October 2019**.

General elections decide who represents us in government. New Zealand usually has a general election every three years. A general election will be held in 2020.

The voting system used in a general election is called Mixed Member Proportional (MMP).

For more information about the 2020 general election, visit: www.vote.nz

Parks, reserves and gardens

Wanganui has a large number of parks, reserves and gardens that enhance our district and provide green spaces throughout the urban area.

We have six premier parks including Kowhai Park (which includes a large children's playground), Rotokawau Virginia Lake Reserve, Pukenamu Queen's Park and Bason Botanic Gardens.

Other areas like Castlecliff Domain (part of the Castlecliff Coastal Reserve) and Majestic Square in the central city are also maintained to high standards. Our parks and reserves provide a wide variety of recreational opportunities, from casual recreational use to organised sports. To book a park, visit: www.whanganui.govt.nz/facilities

Kowhai Park - Designed in the 1950s and a great favourite with children. Ride a brontosaurus, swing on an octopus, see-saw with a snake or picnic in a pumpkin, all in a gorgeous woodland riverbank setting on Anzac Parade.

Cooks Gardens - One of New Zealand's leading outdoor sporting venues, featuring a 250m Olympic- standard wooden velodrome and synthetic athletic track. Famous as the venue where Peter Snell broke Herb Elliott's mile world record on a grass track, covering the distance in 3 minutes 54.4 seconds.

Springvale Park - An 11-hectare complex, comprising multi-use amenities for a variety of sports, including the Splash Centre pool complex and the bike park which caters for very young riders up to teenagers wanting more of a challenge.

Bason Botanic Gardens - The Bason Botanic Gardens are rated as a 4-Star garden by the New Zealand Gardens Trust. Drive or walk through

the gardens, use the free gas-fired barbecues or take a picnic and enjoy the lake and birdlife. Three conservatories feature an extensive orchid collection, begonias and bromeliads. Free entry. Visit www.basonbotanicgardens.org.nz

Bushy Park Tarapurui - This forest sanctuary includes 90 hectares of pristine native forest and Ratanui, believed to be the largest rata tree in the southern hemisphere.

Parks, reserves and gardens

The homestead provides bed and breakfast accommodation in a Category 1 heritage building that has been preserved very much in its original state. The sanctuary is open during daylight hours and the homestead is open from Tuesday to Sunday, 10.00am-4.00pm (closed Anzac Day and Waitangi Day). Entry is free, but donations are welcome, and a guided tour of forest and homestead is available - bookings essential.

Rotokawau Virginia Lake - This is an iconic park where you can picnic by the lake or take a 25- minute woodland walk, featuring a statue of Tainui, a band rotunda, twin bridges and wisteria pergolas. There is also a bird aviary to explore.

Paloma Gardens - A private garden, rated a Significant Garden and given a 5-Star rating by the New Zealand Gardens Trust. Its exotic collection of plants from Africa, Asia and the Americas covers a site that also offers picnic areas and accommodation. It is located 20 km from Whanganui at Fordell. Entry charges apply.

James McGregor Memorial Park - Connected to Kowhai Park, this gorgeous riverside park offers an extensive arboretum area perfect for picnics.

Glenlogie Rose Gardens - A colourful seasonal display of roses, opposite Kowhai Park. Great as a summer wedding venue.

Mosquito Point - Located 12km from the centre of town, Mosquito Point

is situated alongside the Whanganui River. A great picnic spot.

Gordon Park Scenic Reserve - This 14.5-hectare reserve is a precious sample of the lowland forest type once common in this area and is home to an interesting array of birds.

Lake Wiritoa - A coastal dune lake a few minutes south of Whanganui set among five hectares of park-like grounds. A wonderful place for a family picnic or outing for water skiing, boating, canoeing, kayaking, swimming, fishing and mountain biking.

Lake Westmere - This wildlife refuge includes a nine-hectare lake within 20 hectares of bush and tracks.

Peat Park - An established park with wide-open spaces, a playground and the opportunity to get up close with deer.

LA STATION
• DESIGN STORE •

Whanganui's new Furniture and Homeware store located in the beautiful historic Old Central Fire Station. As soon as you enter you'll not only be swept away by the building but also the stunning unique Furniture and Homeware sourced from around the world. Be prepared to be thrilled.

Sat 10am to 3pm

Arts, culture and heritage

Pukenamu Queen's Park is the cultural heart of the city, comprising the Alexander Heritage and Research Library Te Rerenga Mai o Te Kauru, the Whanganui Regional Museum, a Handspan Peace Sculpture, Carillon Bells and Veteran Steps. It is also the home of the iconic Sarjeant Gallery Te Whare o Rehua Whanganui, one of the country's most important heritage buildings, which is currently closed for earthquake strengthening and redevelopment work.

Sarjeant on the Quay at 38 Taupō Quay is the interim location of the Sarjeant Gallery. Open daily (except

Christmas Day and Good Friday), this historic warehouse space has been converted to hold the gallery's extensive collection and to provide a welcoming space for regularly changing exhibitions and events. Sarjeant on the Quay's object gallery is at 31 Taupō Quay above the Whanganui i-SITE Visitor Information Centre.

Whanganui Regional Museum – Reopened in 2019 after seismic strengthening and improvements, the museum holds an extensive collection of natural and human-history objects. A range of exhibitions, events and

education programmes take place in this historic building in Pukenamu Queen's Park.

Whanganui War Memorial Centre – This is one of the finest examples of New Zealand modernist architecture, including the curtain-glass wall framed with concrete cube grilles. Its central feature, which remains a focus for Anzac Day commemorations, is the constantly lit vestibule containing the Book of Remembrance.

Royal Wanganui Opera House – The Opera House is the sole surviving wooden building of its type in the southern hemisphere.

A visit to Whanganui isn't complete without a visit to the Sarjeant

Alongside regularly changing exhibitions, our shop offers you a fantastic range of gifts that include jewellery, ceramics and glass created by Whanganui and New Zealand artisans. Visit us at 38 Taupō Quay.

contact the Whanganui i-SITE Visitor Information Centre.

New Zealand Glassworks Te

Whare Tuhua o Te Ao - A dynamic and creative hub in the heart of Whanganui. It is the first national centre for community glass in the country.

Tram Museum and Tram Shed

Whanganui was the first provincial town to have an electric tramway. Find out about its intriguing history and climb aboard the 107-year-old tram.

Ward Observatory - The observatory houses a 24cm telescope, the largest unmodified refractor telescope still in use in New Zealand. Public viewing is available on Friday evenings or by arrangement with the Astronomical Society.

The Whanganui Literary Festival

A vibrant biennial writers and reader's festival with a lifestyle theme. The Literary Festival will run again in 2021. Writers who have previously appeared at the Festival include CK Stead, Fiona Kidman, Witi Ihimaera, Joe Bennett, Elizabeth Knox, Bill Manhire, Nicky Hager and Charlotte Grimshaw.

Whanganui Riverboat Centre - In the late 1800s the Whanganui River was an international tourist mecca and today this unique museum celebrates the riverboat era.

Whanganui Riverboats - Take a trip aboard New Zealand's last coal-fired paddle steamer, the PS Waimarie (est. 1900). Tickets for the PS Waimarie are available from the Riverboat Centre or book online: www.waimarie.co.nz. Trips

are also available on the smaller restored riverboat MV Wairua: www.whanganuiriverboat.co.nz

St Paul's Memorial Church, Pūtiki

- An historic church with stunning Māori carvings and woven tukutuku panels. Guided tours can be booked through the Whanganui i-SITE Visitor Information Centre.

Pākaitore (Moutoa Gardens) - A quiet garden of mature, native and exotic trees. Associated with early trading and home to several memorials, protest action took place on the site in 1995 and it remains a place of prominence.

Whanganui Musicians Club - Come and enjoy what the Whanganui Musicians Club has to offer. From blues to rock, Whanganui hums the first Friday of every month from 7.30pm at the Savage Club Hall, 65 Drews Avenue.

Whanganui Arts @ the Centre

- Regularly changing exhibitions from established up-and-coming artists, including art for sale.

Whanganui Festival of Cultures

- The Festival of Cultures is an inclusive, family-friendly, free festival celebrating diversity and our local cultural communities. This annual festival draws crowds of thousands to Majestic Square and involves cultural performances, the sharing of food and more.

Whanganui Vintage Weekend

- During Wellington Anniversary Weekend, Whanganui puts on its biggest party. The historic architecture of one of New Zealand's oldest cities backdrops three days

and nights of vintage entertainment, activities, food, drink, fashion, technology and vehicles.

Whanganui Heritage Month

The first Whanganui Heritage Month was held in 2019 and will be held again in 2020. The month highlights and celebrates our built heritage. Whanganui has one of New Zealand's highest concentrations of European heritage buildings, still largely intact, and dominating the city centre. There are also a number of Māori sites of significance including St Paul's Memorial Church, Pūtiki which was recently awarded NZ Heritage Category 1 status, and numerous marae along the Whanganui River Road to the settlement of Jerusalem.

HERITAGE GRANT FUND

This fund provides financial assistance to private building owners in Whanganui's Town Centre to undertake works that enhance the historic character of heritage buildings.

For projects that cost less than \$15,000 (excluding GST), funding is available for up to a maximum of 80% of the total cost of works. For projects costed at more than \$15,000 (excluding GST), funding is available for up to a maximum of 50% of the total cost of the works.

For further information about eligibility or other enquiries, please contact the Council's Policy Administration and Research Officer, Leayne Huirua on 06 349 3116, or email leayne.huirua@whanganui.govt.nz

Shopping and city services

Town Centre (Victoria Avenue and side streets) – This is the main shopping area of Whanganui, with a wide variety of independent retailers, grocer and galleries alongside national retail brands such as Kathmandu, Cotton On and Whitcoulls. Many businesses in this area are located in beautiful heritage buildings and it is also home to buskers, eateries, bars, festivals, and entertainment venues. All major banks have offices along Victoria Avenue, and large supermarkets Pak'n Save, New World and Countdown are located at the top of Victoria Avenue.

The Whanganui River Markets – A weekly Saturday morning market on the bank of the Whanganui River brings to mind the bustling trading activity of days gone by, with up to 100

stalls. You can find colourful art and crafts, plants, mouth-watering food and flavour-filled fruit and vegetables. Rain or shine, every Saturday 9.00am-1.00pm, Moutoa Quay.

Trafalgar Square – This shopping complex offers 21 retailers including The Warehouse, Countdown and Number One Shoe Warehouse and a food-court in an undercover retail complex with more than 400 free carparks.

Boutique shopping – Whanganui is packed with heritage charm and quirky shops, with hidden gems to be found. Discover one-off items produced by our community of world-renowned artists, and the café culture, representative of our obsession with good food and great coffee. Creativity abounds amid boutiques, antique

emporiums, delicatessens, high-end fashion and other speciality stores.

Second-hand and opportunity shops – Whanganui's vintage and thrift stores offer a bounty of unique and collectable second-hand treasures and are a drawcard for out-of-town visitors. Many are located along Victoria Avenue but those in Gonville, Whanganui East and Aramoho are also worth a visit.

Large retail franchises like Farmers, Briscoes, Rebel Sport, Mitre 10 Mega, Bunnings Warehouse, Animates and The Warehouse are all found in Whanganui.

Many of Whanganui's suburbs have distinct shopping areas with shops such as takeaway food outlets, bakeries, hair salons, dairies and pharmacies.

SWIMMING POOLS

Whanganui has two public swimming pools - the Splash Centre in Springvale Park and the outdoor swimming complex at the Whanganui East Aquatic Centre.

The **Splash Centre** is an indoor facility that caters for the whole family, with lane swimming, a lazy river, spa pools, sauna, steam room, learners' and toddlers' pools and two giant hydrolides. There is also an indoor rowing and fitness centre.

Contact the Splash Centre on 06 349 0113, email splashcentre@splashcentre.co.nz or visit www.splashcentre.co.nz for admission charges, opening hours, classes and associated activities.

Monday to Friday	6.00am to 8.00pm
Saturday and Sunday	8.00am to 6.00pm

Public holidays	10.00am to 5.00pm
Christmas Day	Closed

The **Whanganui East Aquatic Centre** at 67 Tinirau Street has a diving board, a 33m outdoor pool, learners' pool, hydroslide, barbecue, picnic facility, lawn area and large shaded area. The pool is open during the summer months. Contact the pool office on 06 343 6650 for opening hours and entry fee details, or visit www.splashcentre.co.nz

BEACHES

Castlecliff Beach - A short drive from the city centre, this beach is popular for swimming and surfing and is patrolled by lifeguards during summer. There is also a playground and skate park. The North Mole is a great fishing spot.

Kai Iwi Beach - A family-friendly beach offering swimming, fishing, playground, wood-burning barbecues and a great place for camping. Kai Iwi beach is reached via Rapanui

Road 14km west of Whanganui and is patrolled by lifeguards during summer.

South Beach - Adjacent to the Whanganui Airport. As soon as the tide goes out, South Beach becomes a 20km stretch of sand - excellent for a day's picnic, surfing or fishing.

BEACH SAFETY

As beautiful as our beaches may appear, they can also be dangerous. Always:

Swim only at lifeguard-patrolled beaches (red and yellow flags will be visible)

Always swim between the red and yellow flags

Never swim alone or leave children unattended

During the summer season, check out the Surf Life Saving Facebook page for updates on conditions at Castlecliff and Kai Iwi beaches: Facebook/Wanganui-Surf-Lifeguard-Service-Inc

Trafalgar Square

Whanganui's only undercover shopping centre

Trafalgar Square has been at the heart of Whanganui since first opening its doors on November 1989.

It is a single level shopping centre with 4 main entrance ways that lead to a common area.

With 24 retailers trading within the complex, this is Whanganui's largest retail complex with over 460 free carparks for customers to use and browse, shop, eat and relax in our wonderful Foodcourt.

The centre is open 7 days a week for your shopping convenience. Countdown is open from 7am, and The Warehouse from 8am.

Visit our website for the retailer trading hours of all our other specialty stores or visit our Facebook page.

The creation of the annex building, which now houses Carpet

Court and All About Furniture, is utilised from the former site of the Criterion Hotel.

The Foodcourt easily entices shoppers with the wide range of culinary delights from Ocggi Salad & Sushi, Roasties Carvery, The Shake Shed, Kiwiana Café and Indian Taj.

Now in its 31st year of trading, Trafalgar Square is proud to remain at the heart of the Whanganui Community.

Adventure and outdoors

Canoeing and jet boating – There are a number of ways to explore the Whanganui River’s picturesque middle reaches: the multi-day canoe trip known as the Whanganui Journey is one of New Zealand’s Great Walks, jet boat rides are a thrilling way to reach the Bridge to Nowhere, and several Māori-owned businesses offer guided canoe and cultural tours.

Fishing and hunting – The district offers top-quality outdoor adventure for hunting enthusiasts – red, sika and fallow deer, goats and boar. The upper reaches of the Whanganui River are home to brown and rainbow trout and coastal fishing can be enjoyed from breakwaters and beaches.

Golf – The Whanganui Golf Club, situated at Belmont, is New Zealand’s oldest golf club. Both this and the

Castlecliff Links are championship courses. The Rivercity Golf complex in Tawhero features a nine-hole public course and driving range.

Heritage and city walks – Whanganui has a range of guided or self-directed walks around the city that take in our many heritage sites and architecture. Visit www.visitwhanganui.nz for more details.

Mountain biking – Ride recreational tracks at Hylton and Araheke Mountain Bike Park tracks or experience the Mountain to the Sea Cycle Trail – a 245km, four to six day ride mostly through Department of Conservation-administered land. Visit www.mountaintosea.nz for more information.

Skate and bike parks – Whanganui has banks, bowls, lips and stairs

for skaters and BMX riders alike in the seaside suburb of Castlecliff and at Kowhai Park. The Springvale community bike park next to the Splash Centre is also worth checking out.

Skiing and snowboarding – Whanganui is within a two-hour drive to Mt Ruapehu, which offers world-class opportunities for skiing and snowboarding.

Surfing – Whanganui has a range of beaches and conditions to challenge surf enthusiasts of all abilities, many within minutes of the city centre.

Tramping – Whanganui National Park offers a number of options for day or multi-day hikes. Tongariro National Park and Egmont National Park are both less than two hours away by car.

Te Awa o Whanganui - Whanganui River

A visit to New Zealand's longest navigable river, the Whanganui River, and the road that winds beside it into the Whanganui National Park, is a journey to a hinterland: with unique scenery, marae communities and historic places of interest.

The source of the river is the mountain, Tongariro. It is joined by the Ongarue north of Taumarunui, and by the Whakapapa in National Park.

Māori have occupied the area “since the fires of Paerangi (the ancestor god Paerangi Atua, or the Milky Way) were lit”. Before 1860, hapu gardens in communities like Manganui a Te Ao, Pipiriki, Ranana and Jerusalem fed Wellington and Christchurch.

European settlement on the Whanganui River began in Raetihi in the 1890s and early settlers began to arrive, along with Anglican, Methodist and Catholic missionaries, most notably, Sister Mary Joseph Aubert (Suzanne Aubert), at Jerusalem.

Alexander Hatrick introduced river boats and purchased Pipiriki House which became a prime destination by paddle steamer. In the late 1800s and early 1900s the river became a major tourist attraction and the experience was likened to cruising the Rhine in Europe.

Today the Whanganui River and Whanganui River Road can be explored in many different ways - by vehicle, bike, jet boat, canoe or on foot. Some tour operators can provide a cultural and educational experience with entertainment and accommodation facilities if required.

The road is narrow and follows a winding route, which requires a slower driving speed than usual.

The river valley is still a major attraction. It offers unrivalled opportunities for walking, cycling, hunting and tramping in native bush, as well as activities on the water, including jetboat trips and single and multi-day canoeing. Canoe trips over any number of days can include camping and accommodation on shore at selected spots where history and cultural experiences may be provided.

The Whanganui River is included in Te Araroa, New Zealand's Trail, and is one of New Zealand's Great Walks - The Whanganui Journey. The River Road is also part of the Mountains to Sea national cycleway.

In 2017, New Zealand's Parliament passed an historic bill to recognise the special relationship between the Whanganui River and Whanganui iwi. Te Awa Tupua (Whanganui River Claims Settlement) Bill provided for the river's long-term protection and restoration by making it a person in the eyes of the law. This attracted significant attention and was widely reported throughout New Zealand and overseas.

Early childhood education

Whanganui has a large number of recognised education centres catering to a wide range of ages, interests and learning requirements. Options include special character schools, single sex, co-educational, state integrated and kura kaupapa. Our size and location make it perfect for students - big enough to offer plenty to do, but small enough to provide a sense of community.

It is easy and safe for students to get around on foot or bike in our friendly town.

Students in Whanganui are well connected to the rest of the country and the world. Whanganui is internationally known as a 'smart city' and students benefit from our reliable, ultra-fast internet speeds.

It's easy to make friends in our warm and diverse community.

EARLY CHILDHOOD EDUCATION

Early Childhood Education (ECE) is available for children up to six years of age. Whanganui has more than 50 kindergartens, play centres, childcare centres, home based networks, correspondence school, play groups and Te Kohanga Reo. It is advisable to check that the centre you are intending to enrol your child in is registered with the Ministry of Education - this ensures the quality of the centre.

Visit www.education.govt.nz to see all registered ECE providers in our district. Additionally, ECE centres are also listed in the local phone book under child care and education, kindergartens and play centres and preschool centres. Your child may qualify for 20 hours free ECE.

AFTER SCHOOL CARE

In New Zealand, it is against the law to leave children under 14 without making reasonable provision for their care and supervision. OSCAR (Out of School Care and Recreational Programme) and other after school care services are available in Whanganui. Contact your local school for more information.

Primary and secondary schools

Parents and caregivers are welcome to visit schools and meet with the principal and other staff prior to enrolling their child. Most schools have a brochure/prospectus that provides information about the school and what it offers. The Ministry of Education website www.education.govt.nz provides a searchable school database and includes information about the school's profile and contact details, student population, student engagement and finances. Some schools have an enrolment zone where only children living in the zone can attend.

The schools are:

Libraries and community hubs

Whanganui's public libraries are freely open to everyone.

They have more than 100,000 books, magazines and DVDs together with over 30,000 eBooks and eMagazines for you to enjoy. Streaming video, free unlimited wifi and free-to-use desktop computers are also available.

The libraries run holiday programmes and events throughout the year for children and families. They also look after our community's memories and enable people to discover and connect with their own and their community's stories.

WHANGANUI DISTRICT LIBRARY

Library services are provided via:

- a central library – the 'Davis' at Queen's Park
- a heritage research library – the 'Alexander' at Queen's Park
- a community-based library – Gonville Library at 44 Abbot Street
- a mobile branch library – visits schools and rest homes, and services suburban and rural communities; and the Library Home Service brings the library to those who can't get out to our venues
- Hakeke Street Library at 65 Hakeke Street – a self-service library in partnership with the Whanganui Advocacy and Support Trust community centre

- Rangiora Street Library at 10 Rangiora Street – a self-service library
- a website – www.whanganuilibrary.com which includes a digital lending library. You can search the collection, reserve and renew books and manage your library account through the library website.

JOINING

It is free to join the library network. Bring some form of identification, such as your driver's licence or passport and proof of address such as a bank statement or utility bill to the library to complete registration.

For more information about our libraries phone 349 1000 or visit www.whanganuilibrary.com

- Emergency Department for emergencies.

Youth

Whanganui has a wide range of opportunities and organisations for young people and our diverse community is represented by young people in almost every arena. You will find many enthusiastic and committed people who have dedicated their lives to

supporting and empowering youth in our community.

Whanganui District Council has a Youth Committee that represents the community's young people and provides an opportunity for them to contribute to the Council's decision-making.

Its purpose is to empower young people to be the best they can be by providing resources and opportunities they need to succeed.

For more information about the Youth Committee and how to get involved, visit: www.whanganui.govt.nz/youthcommittee

Civil Defence

Civil Defence Emergency Management Whanganui is led by Whanganui District Council, which is able to co-ordinate a wide range of groups and agencies, such as the Police, Fire and Emergency New Zealand and emergency services to:

- help prevent loss of life
- help the injured and relieve distress
- help the community return to normal

In an emergency, everyone needs to be self-reliant and prepared to survive in their own home for at least three days without assistance. What you do now to prepare can make a huge difference to how you and your family cope, and it helps emergency services focus more effectively on helping those directly impacted.

An emergency could occur at any time in our district. Possible emergencies include:

- floods
- severe weather events
- hazardous chemical spills (industrial/transport accident)
- loss of water or power supply
- earthquakes
- volcanic eruptions
- tsunami
- influenza pandemics

In the case of an emergency, Civil Defence Centres may be opened if there is a need and the resources are available. It's helpful to know where your nearest Civil Defence Centre is so visit www.whanganui.govt.nz/civildefence for Google

Maps links to the centres. In an emergency, these centres are the base for trained volunteers who provide help, advice and guidance for evacuees or impacted members of the public.

HOW TO PREPARE

Basic supplies to have at home:

- Water for three days or more - nine litres for every person
- Long-lasting food that doesn't need cooking (unless you have a camping stove or barbecue) and food for babies and pets
- Toilet paper and large plastic buckets for emergency toilets
- Dust masks and work gloves

Visit www.happens.nz for more information about how to plan for emergencies.

WHERE TO GO FOR INFORMATION

Follow these social media channels for up-to-date information from the Civil Defence team:

Civil Defence

essential public information messages are broadcast immediately from the Emergency Operations Centre during emergencies. Listen to the frequencies below, or online at www.brianfm.com

- Brian FM Whanganui – 91.2FM
- Brian FM Taihape – 93.2FM
- Brian FM Raetihi – 90.2FM
- ReelWorld Radio Whanganui – 92.0FM

Make sure you have a battery-powered radio and batteries in your emergency supplies. Messages won't be up immediately after an event such as an earthquake but will be broadcast every thirty minutes as soon as possible.

Other radio stations

You can also listen to:

More FM 92.8FM
RadioLIVE 96FM
The Hits 89.6FM

Emergency Mobile Alert

In an emergency, Emergency Mobile Alert messages can be sent to some smart phones by the Ministry of Civil Defence Emergency Management, Defence Emergency Management Groups, New Zealand Police, Fire and Emergency

New Zealand, the Ministry of Health and the Ministry for Primary Industries.

These messages will be sent if life, health or property is in serious danger. If your phone is capable of receiving Emergency Mobile Alerts, the alert should appear automatically on your screen with a unique and penetrating warning sound. The Emergency Mobile Alert does not replace other information about what to do during an emergency – check out Whanganui District Council and Manawatu-Whanganui Civil Defence Facebook pages and make sure you have a battery or solar powered radio.

Visit www.civildefence.govt.nz for more information about the Emergency Mobile Alert and to see whether your phone is capable of receiving it.

CIVIL DEFENCE SIRENS

Electronic warning sirens are stationed along the lower Whanganui River estuary and the Castlecliff coastline, with a separate large siren at Mowhanau. These are primarily to warn of a possible tsunami impact in the Whanganui area.

Visit the Civil Defence page at www.whanganui.govt.nz to listen to the tsunami siren sound. The local urban sirens use the exact same sound. Civil Defence sirens

are tested on the first Wednesday of each month at 8.30am. If you hear a continuous sounding of the sirens, please tune in to your nearest radio station and listen for information.

TSUNAMI EVACUATION MAPS

There are several tsunami information boards and evacuation maps throughout the Whanganui District at coastal or river areas, telling people what to do if a tsunami is generated near our coastline.

A detailed digital map of tsunami evacuation areas, evacuation routes and safe zones is available at www.whanganui.govt.nz/tsunami-evacuation-map

If you experience a strong earthquake which is hard to stand up in, a weak rolling quake which lasts a minute or more, or loud and unusual noises from the sea, move to higher ground as far inland as possible. Don't wait for an official warning.

Business and economy

Whanganui & Partners is the economic development arm of Whanganui District Council. We work with our partners to deliver sustainable growth to our district.

We work particularly closely with stakeholders in sectors that leverage our economy's strengths and points of difference: agribusiness, creative industries, manufacturing, logistics, education and visitor industries.

OUR FOCUS AREAS INCLUDE:

Strengthening Relationships - We connect with local, regional and national partners to deliver sustainable and resilient economic growth to Whanganui.

Improving Infrastructure - We work with business and the Council to understand our growing district's needs and advocate for future-focused solutions.

Increasing Capability - We work with partners to ensure everyone has

access to resources and opportunities that will maximise their potential.

Raising Brand Profile - We manage the Whanganui brand and increase its visibility by championing our successes in the media.

Organisational Efficiency - We develop processes and plans to ensure we have clear, evidence-based objectives and that we are making the most of our resources to achieve them.

INNOVATION QUARTER

Whanganui & Partners is located at the Innovation Quarter. We share our premises with Te Manu Atatū (Whanganui's Māori business network), the Whanganui Chamber of Commerce and 100% SWEET, an organisation that matches youth to employment opportunities.

We all share the objective of making Whanganui a great place to live, work, visit and do business, and we often

combine our expertise and resources on projects that benefit our economy.

BUSINESS ADVISORY SERVICES

Through a partnership with the Central Economic Development Agency, we have an in-house Business Growth Advisor who can help Whanganui business owners and sole traders identify challenges, needs and opportunities as well as the tools, connections, training, or development needed to take your business to the next level.

This service is free of charge and available to all entrepreneurs in our district. Contact us at info@whanganuiandpartners.nz for more information.

- Open Monday to Friday, 8.00am to 5.00pm
- Email: info@whanganuiandpartners.nz
- Phone: 06 349 3119
- Address: 179 St Hill Street, Whanganui

Rubbish and recycling

URBAN RUBBISH COLLECTION

Whanganui residents in the urban area use privately owned companies for kerbside rubbish collection. The two main kerbside waste collection companies are EnviroWaste and Waste Management.

EnviroWaste, based at 27 Gilbert Street, offers a wheelie bin-only service. They can be contacted on 06 344 4201.

Waste Management, based at 14 Liffiton Street, offers both a wheelie bin and rubbish bag collection service. They can be contacted on 06 348 8009.

Wheelie bins of varying sizes, with a range of options for collection frequency, are available from the waste collection companies above.

PUTTING OUT THE RUBBISH

Rubbish bags and wheelie bins need to be placed on the kerbside no later than 7.00am on the day of collection to ensure they will be picked up. Rubbish bags need to have a pre-paid yellow Waste Management sticker attached (available from your local dairy, supermarkets and a variety of other stores).

Rubbish is collected between 7.00am and 4.30pm. Rubbish bags that do not meet the conditions outlined on the sticker will not be collected. Missed bags should be placed back on the kerbside by 7.00am on the morning of the next collection.

See the Rubbish and Recycling section of the Whanganui District Council website - www.whanganui.govt.nz - for a map showing rubbish collection days for your area.

Domestic rubbish bags can also be dropped off at the Whanganui Resource Recovery Centre at 79-83 Maria Place Extension, for a fee. Visit www.wrrc.co.nz for information on current fees.

RURAL RUBBISH COLLECTION

The Council provides rural properties close to the city boundaries with a bag collection service. For those in more remote rural areas, the Council has bins at designated collection points for bags of household waste.

All bags must have yellow Waste Management stickers attached and be placed on the kerbside or collection point no later than 7.00am on the day of collection.

For more information please visit the Council's Rubbish and Recycling page at www.whanganui.govt.nz

GREEN WASTE

You can take green waste to the Whanganui Resource Recovery Centre at 79-83 Maria Place Extension or Waste Management's Midtown Transfer Station at 14 Liffiton Street.

Charges apply.

For information on the Whanganui Resource Recovery Centre's hours and

fees, visit www.wrrc.co.nz or phone 06 348 7950.

For information on Midtown Transfer Stations' hours and fees, phone 0800 10 10 10.

FOOD WASTE

Easy Earth is a local business which provides a food waste collection service for households, businesses and organisations. Their aim is to divert food waste from the landfill and turn it into high quality compost using a state-of-the-art HotRot composter.

For \$6 per week households are supplied with a 10 litre bin for food waste which is collected weekly from the home.

Households also have the option of dropping off food waste at a collection point for \$3.50 per drop off.

Businesses and organisations can choose to have food waste collected (starting from \$9 per week) or both

FOUND A HOUSE YOU LIKE? NOT SURE WHAT TO DO NEXT?

www.mortgagelinkwanganui.co.nz

Rubbish and recycling

food waste and recycling collected (starting from \$15 per week).

For more information, check out: <http://www.easyearth.co.nz/>

RECYCLING

The Whanganui Resource Recovery Centre (next to the fire station in Maria Place Extension) is a one-stop shop for resource recovery and waste minimisation in the Whanganui District. It provides a 24/7/365 facility for dropping off glass, plastics, cans, clothing, paper and cardboard.

During normal business hours customers can also bring in tyres, waste oil, e-waste, whiteware, and green waste. There are charges for these extra items.

For information on opening hours please contact the Whanganui Resource Recovery Centre by phoning 06 348 7950, emailing office@wrrc.co.nz or visiting www.wrrc.co.nz

If you're not sure whether an item can be recycled, check out the ReSource Whanganui website for up-to-the-minute advice. It's a quick and easy way to access information on the best way to reduce, repurpose and recycle items: <https://resourcewhanganui.org.nz/>

UPCYCLING AND REPURPOSING

The Whanganui Environment Base (WhEB), located at the Whanganui Resource Recovery Centre at 79-83 Maria Place Extension is the home of the Sustainable Whanganui Trust.

The WhEB is open six days a week (Monday to Friday from 10.00am-4.00pm and Saturday 10.30am-12.30pm).

Used toothbrushes (manual only) and toothpaste tubes can be dropped into the Colgate Oral Care Brigade bin outside the WhEB.

If you're interested in improving your garden, you can purchase worm farms, tiger worms and worm wees from the WhEB.

If you've never before visited WhEB, feel free to ask for a tour. We cater for all age groups.

Re-Use Academy (RUA)

A wide variety of items can be dropped off at our Re-Use Academy for others to reuse or repurpose for arts and crafts or educational projects.

All items can be collected from the Re-Use Academy for a small koha (donation).

We're always interested in glass jars, bottles with lids, patterned and colourful crockery (broken and intact), tiles, plastic bottle tops, other reusable plastics, craft materials, wool (including unfinished knitting projects), old cards, calendars, wallpaper, wrapping paper, posters, cardboard cartons, tubes, egg cartons and trays, plant pots, stakes and punnets and fabrics and textiles.

Please make sure any items you drop off are clean.

Green Bikes Pahikara Matomato

Green Bikes Pahikara Matomato operates out of premises behind the WhEB office on Fridays from 10.00am-4.00pm.

Old bikes and parts, including tyres, can be dropped off any time. These are recycled into roadworthy bikes by a small group of volunteers. The bikes are sold for a nominal price to children, pensioners and beneficiaries. The Green Bikes volunteers also repair bikes for those on low incomes.

Harakeke Room

Sustainable Whanganui's education room is called the Harakeke Room. They offer practical sustainability courses for adults and school holiday repurposing workshops for families.

Eco Library

For a \$5 subscription per year you can borrow books and magazines for a month from the WhEB's extensive sustainability library.

Volunteers

Volunteers are needed for various on-site projects as well as the Fruit Trees in Schools and Fruit Trees in the Community initiatives. This provides an opportunity to work alongside experienced volunteers and learn more about sustainability.

For more information about Sustainable Whanganui, phone 06 345 6000, email sustainablewhanganui@gmail.com, find us online at www.sustainablewhanganui.org.nz or look us up on Facebook.

info@whanganuimulticultural.co.nz

What is Our "One Stop Shop"?

1. It is an information, resource and activity centre particularly for newcomers to learn about Kiwi culture.
2. It is a place to build friendships and develop understanding amongst all people.
3. It is a place for anyone in the community who is interested in meeting people from all ethnic backgrounds around the world.
4. It is a place to learn about other cultures.

It is run by the Multicultural Council of Rangitikei/Whanganui Inc.

MCRW is a voluntary organisation representing people of different nationalities.

What We Do:

- Provide opportunities to practice language/s, increase cultural awareness and understand its importance.
- Work together with other community groups and different organisations.
- Provide information about the New Zealand way of life and the cultures within our community.
- Provide referrals to other agencies and community organisations.
- Promote cultural diversity within the community.
- Help prepare a CV and help to gain relevant experience.
- Provide opportunities to make new friends.
- Advocate on behalf of migrants while encouraging self-help.

Transport

Shared Pathways – Whanganui District Council is developing a network of future-proofed shared pathways around our city.

A shared pathway is a route designated for shared use by people who are cycling, scootering, skating or walking. Shared pathways encourage active travel and provide easy, direct connections between various parts of our city, from the river, to the town centre, to the suburbs.

For a map displaying Whanganui's shared pathway network and information about project progress, visit the Shared Pathway section of the Council's website on www.whanganui.govt.nz

Most of the shared pathways funding comes from the New Zealand Transport Agency's Urban Cycleways Fund and the Government's National Land Transport Fund. The Council is providing the rest.

The Council-led Let's Go / Mā Ake programme is a collaboration with

Transport

key community organisations that aims to make active transportation a popular and safe travel choice for residents and visitors. Visit the Let's Go Whanganui website at letsgowhanganui.org.nz to find out more about active transport in our community.

Whanganui Airport –

Whanganui Airport is a regional airport offering air links and support for businesses, tourists and private pilots. The airport is also the primary base for the New Zealand International Commercial Pilot Academy and is home to the Whanganui Aero Club.

First established in the 1930s, Whanganui Airport remains a vital hub for air activity in the wider Whanganui region. Air Chathams offers commercial flights between Whanganui and Auckland.

The airport's South Beach Café is open seven days a week. Free parking

is available for up to 60 minutes adjacent to the terminal building. The long-term car park is fully fenced and is secured and alarmed in the evening after the last flight and then reopened before the first flight in the morning.

Buses – Buses operate regularly throughout the city. Timetables are available from www.horizons.govt.nz/buses-transport and the Whanganui i-SITE Visitor Information Centre. There is also a week-day commuter service between Whanganui and Palmerston North.

Taxi services – All taxis in New Zealand must be registered with a taxi company. There are several companies in Whanganui and they can be ordered by phone or hailed at taxi stands.

Driving in New Zealand – To drive in New Zealand, you must have a valid driver's licence. If you have a valid or current overseas driver's licence or international driving permit, you

can drive using this permit for a maximum of 12 months from the date you arrive in New Zealand. For more information about driver licencing, contact the New Zealand Transport Agency www.nzta.govt.nz or phone 0800 822 422.

Tips for driving in New Zealand:

- Drive on the left hand side of the road
- You must carry your driver's licence at all times when driving. If your licence is not in English, you need to carry an accurate translation
- Everyone in a motor vehicle must wear a seatbelt
- Children under 5 must be restrained in an approved car seat
- Never drink and drive. For drivers under 20 a zero alcohol level applies
- It is illegal to use your phone while driving
- To be safe when parking, always lock your car.

Parking

Whanganui District Council maintains off-street car parks and a network of on-street meters and time-restricted areas that are monitored by parking officers.

There are 615 kerbside metered parking spaces and 1118 time-restricted areas around the central city area. These are monitored to ensure regular turnover and availability of spaces. Infringers are ticketed, fined and followed up. Suburbs are serviced on demand.

Paid parking is between 8.00am and 5.30pm weekdays and Saturdays. The Parking Services Team patrols on a regular basis, including Saturdays.

Typical parking charges are:

- Victoria Avenue - \$2.00 per hour
- Drews Avenue - \$1.00 per hour (for a maximum of two hours)
- Taupō Quay - \$1.00 per hour (for a maximum of two hours)
- Inner-city side streets - \$1.00 per hour
- Pay-and-display - 50 cents per hour
- Rentals - \$20.00 per week

Please note the Drews Avenue parking precinct is a pay-and-display area.

Off-street leased car park spaces are available in the following locations: Kingsway (51 spaces), Winstone (58) and the Royal Wanganui Opera House (20) all in St Hill Street, Phoenix (18) in Drews Avenue, Drews Avenue (8), Wharenui (25) and Regent (18) in Ingestre Street, Museum (59) and

Hannah's (40) in Drews Avenue, as well as Taupō Quay. All off-street car parks are sealed, marked, have security lighting and are signposted. Winstone, Wharenui and Phoenix parks have pay-and-display machines installed while Taupō Quay uses a pay-by-plate machine. The others are mostly rental parks. Call Council Customer Services on 06 349 0001 for more information about rental parks.

PARKING INFRINGEMENTS

Failure to buy parking in a pay-and-display area will incur a \$40.00 infringement fee. Expired parking or exceeding the time limit in other areas will incur an infringement starting at \$12.00. Depending on the length of stay this may be up to \$57.00, calculated on a graduating scale.

PARKMATE

The ParkMate smartphone app for paying for parking - and a range of other features such as car park availability - is available at all Council-owned pay-and-display car parks in Wanganui. The app can be downloaded for free from the App Store or Google Play.

SUPERGOLD CARD SENIOR PARKING SCHEME

Holders of the SuperGold Card - a scheme for seniors and veterans - can apply to the Council for a permit to display in their vehicle, which gives them free parking between 8.00am and 11.00am, Monday to Friday, in

the Central Business District area. Please note that even though parking is available free in these areas for SuperGold Card holders during these times, the time limits set for parking spaces still apply.

This applies to the area contained within St Hill Street, Taupō Quay, Drews Avenue, Watt Street, Wicksteed Street and Ingestre Street and includes all metered parking spaces. If you have a SuperGold Card, you can apply for a parking permit at: www.whanganui.govt.nz/Services-Amenities/Parking/SuperGold-Card-senior-parking-scheme

WHANGANUI AIRPORT

The Wanganui Airport long-term car park is controlled by a parking meter located in the terminal building, which accepts coins and credit cards. You need to enter your registration plate number to pay and the cost is \$10.00 per day (24 hours) or part thereof. A transaction fee of 50c applies if a credit card or Vodafone's TXT-a-Park mobile service is used. The car park is open from before the first morning flight until after the last incoming aircraft, and is secured and monitored at all other times.

Animal management

Whanganui District Council's friendly Animal Management Team encourages care and control of animals in the Whanganui District.

The Animal Management Team issues dog registrations, provides advice about the housing and welfare of animals, responds to calls about wandering stock, patrols suburban streets, maintains the dog pound and deals with incidents involving aggressive dogs.

The Council also has an Animal Management Education Officer who takes a preventative approach to community safety by educating people, especially children, about caring for animals and interacting with them safely.

The Dog Control Bylaw was introduced to reflect community feedback about the management of dogs in the district. It aims to improve community safety by improving and encouraging the responsible ownership of dogs in Whanganui.

The Keeping of Animals, Poultry and Bees Bylaw regulates the control of animals other than dogs. The purpose of this bylaw is to protect the public from nuisance, to maintain and promote public health and safety, and to protect the welfare of animals. For more information, please visit: www.whanganui.govt.nz/Business/Livestock-Beekeeping

DOG REGISTRATION

Dog registration fees help fund a range of services that are designed to help dogs, their owners and the wider community. There is a small ratepayer contribution per year towards the cost of animal management services for stock control on district roads and highways and to recognise public good and education.

You need to register your dog:

- when it turns three-months-old
- when you first get him/her
- thereafter on 1 July of each year.

The Council has a graded registration fee structure that recognises

responsible dog ownership, neutered dogs and prompt payment. For any dog turning three months of age during the year a part-fee will be paid based on the number of complete months remaining in the registration year.

Saturday 9am - 4pm

Animal management

If you have moved to the Whanganui District with your dog or dogs, you will not need to pay your registration until 1 July 2020. However, please notify the Council of your animal's arrival as soon as practicably possible so registration can be transferred from your previous authority.

For current fees and discounts please visit www.whanganui.govt.nz/dog-registration-fees. The registration year is the period of 12 months from 1 July to 30 June of the following year. You can pay your yearly registration via credit or debit card online at eservices.whanganui.govt.nz - if your registration tag is lost or damaged, a replacement tag can be obtained free of charge.

The Council provides a Dog Owner's Handbook that has lots of information and advice on being a responsible owner. You can read this at: www.whanganui.govt.nz/Services-Amenities/Dogs/Being-a-responsible-dog-owner

LATE PENALTY FEES

A late penalty fee - 20% of the fee as if your dog had been registered on the first day of the registration year - will be applied after 31 August each year.

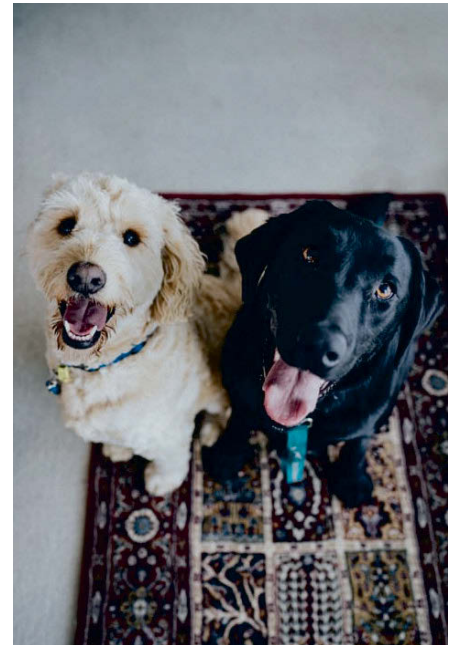

DOG POUND

The dog pound is located on Ridgway Street - opposite the old public cemetery - and is open from Monday to Friday, 12.00 noon to 1.30pm, or by prior arrangement by calling (06) 349 0001.

DOG EXERCISE AREAS

Under the Dog Control Bylaw 2015, dogs must be on a leash at all times in public places except in designated off-leash areas. We provide a range of dog exercise areas where dogs are able to be unleashed. There are also public areas around the district where dogs are permitted on leashes, while in some areas dogs are prohibited.

The dog exercise areas are signposted and most contain doggy-

do bins. Dog owners are reminded of their responsibility to "scoop the poop" and keep public areas clean and pleasant to walk and exercise in. For a full listing of leashed and unleashed dog exercise areas, please visit: www.whanganui.govt.nz/Services-Amenities/Dogs/Exercising-Your-Dog

Rates

Local councils carry out a range of activities for their communities.

These include maintaining our water supply and roads and providing community facilities such as libraries and museums. Council activities are mainly funded through rates.

Other sources of funding include grants, user fees, investment income and development contributions.

The amount of rates the Council collects each year is determined through the Long-Term Plan and the Annual Plan processes.

These plans establish Whanganui District Council's work programme for a range of activities, such as roading or stormwater. The cost of delivering and funding each programme is calculated, and the amount of rates that needs to be collected is then worked out. The Council consults with the community before adopting these plans.

Whanganui District Council rates are payable in four equal instalments for 2019/2020 (from 1 July 2019 to 30 June 2020).

The 2019/2020 instalment due dates are:

Instalment 1 – Wednesday
28 August 2019

Instalment 2 – Wednesday
27 November 2019

Instalment 3 – Wednesday
26 February 2020

Instalment 4 – Wednesday
27 May 2020

We can set up direct debits on a weekly, fortnightly, monthly, quarterly or yearly basis. Please contact Customer Services on 349 0001 for further information.

RATES REBATES

The Rates Rebate scheme provides a subsidy for low to moderate income home owners. If your income is low to moderate (maximum \$25,660) then you may be eligible for a rates rebate of up to \$640. The closing date for applications is 30 June 2020.

Eligibility for a rates rebate is determined by:

- The ratepayer's income for the previous tax year (year ended 31 March 2019)
- The amount of rates (for both Whanganui District Council and Horizons Regional Council)
- The number of dependants (an additional income allowance for dependants is \$500 per dependant).

Ratepayers need to apply to the Whanganui District Council for a rates rebate. Those who are eligible will then either have their rates reduced by the amount of the rebate, or receive a refund if the rates have been paid in full for the year. Application forms are available from the Customer Services team at Whanganui District Council or can be downloaded from www.ratesrebates.govt.nz

To apply for a rebate, please visit the Council's Customer Services team by 30 June 2020.

To assist with your application, please bring in the following:

- evidence of all gross income for the tax year ended 31 March 2019 (this includes income from interest)
- your Whanganui District Council rates assessment for 2019/20
- your Horizons Regional Council rates assessment for 2019/20

For more information on how rates are set and collected, visit: www.whanganui.govt.nz/rates-explained

Horizons Regional Council rates are collected separately from Whanganui District Council. For more information about Horizons Regional Council rates, visit: www.horizons.govt.nz/property-rates

Other services

COUNCIL HOUSING

Council housing provides quality housing for people aged 65 years and older, who have limited financial resources. Whanganui District Council owns and rents out 275 pensioner units in 16 separate complexes across Whanganui.

Application forms are available from Council Customer Services at 101 Guyton Street or you can call us for more information on 06 349 0001.

Application forms are also available on the Council website: www.whanganui.govt.nz/housing

OTHER SERVICES

If you are out and about enjoying our beautiful parks and reserves, or have recently moved to Whanganui, we have useful guidelines on our website to ensure you have a pleasant visit.

These guidelines/bylaws include, for example:

- Noise in our community – how to be a good neighbour or to let us know if noise is an issue in your neighbourhood
- Alcohol Control Bylaw – enhancing public safety and enjoyment of public places by minimising

alcohol-related harm and offences in controlling the consumption and possession of alcohol in specified public places

- Smokefree and Vapefree Outdoor Areas Policy – promoting a healthy environment in our central city and parks by encouraging non-smoking and non-vaping in public areas and at events
- Visit www.whanganui.govt.nz for further Council information and services.

If you can't find what you are looking for, please give us a call on 349 0001.

WANGANUI EAST CLUB - THE CLUB WITH A DIFFERENCE!

We are here to provide a safe, enjoyable environment for our members and their guests to enjoy and entertain themselves in.

The club is open 7 days a week, with courtesy vans operating Wednesday to Sunday. Our **Trax Restaurant** is open Wednesday to Sunday for evening meals, and Sunday brunch.

Our Adjuncts make the Club a special place to belong to. They provide entertainment, challenges and comradely. We offer a number of Adjuncts for our members.

Senior's Tuesday Club	Snooker
Hunting	Pétanque
Gardening	Casual Darts
Bowls	Fishing
Golf	Texas Hold'em Poker
8 Ball Pool	Travel Club

101 Wakefield St, Wanganui East.

PH 343 7023

Members, their guests and affiliated members welcome

Need help with transforming conflict in your workplace?

Want to create a healthy, thriving community and workplace?

A restorative approach is an evidence based, problem solving way to build and strengthen healthy relationships and also transform conflict.

Restorative practices empowers the people involved to address the conflict/bullying behaviour together, take accountability, repair the harm and create solutions for sustained behaviour change.

Restorative City Whanganui provides:

- Restoring team relationships
- Training • Partnering/mentoring
- Facilitation at reasonable rates
- Restorative Justice service

Restorative City Whanganui

Incorporating Restorative Practices
Whanganui and Whanganui Restorative Justice

Phone 06 343 3645 • PO Box 4285,

WANGANUI GOLF CLUB

BELMONT LINKS 1894

WANGANUI'S PREMIER GOLF COURSE

One of New Zealand's premier golf courses - ranked 15th in NZ Golf rankings 2014. Its natural beauty and challenging aspects have drawn golfers to the course from all over the world. It has hosted many international and national events including seven NZ Opens. The club offers terrific benefits to golfers of all levels, from beginners through to advanced players.

Rated by International Course Designer Clyde Johnson as "the best provincial course in North Island by a relative margin"

Connect with the outdoors, there is no better way to get active than to walk the fairways of our course alongside your friends and family, whether it be 9 holes or 18 holes.

Our club competitions are held weekly Thursday – Saturday, with guests always welcome to join in. We have a 9-hole competition on Tuesday mornings for players wanting a shorter format. We also run a very popular Business House competition on Thursday nights in Summer, a very social activity for non-members and members!

As well as being a golf club, we offer one of the best function centres in Wanganui. The stunning panoramic views of the golf course and Wanganui, and extensive manicured gardens complement the modern club rooms that seat up to 120 guests. We are a very popular destination for weddings, birthdays and corporate functions.

Give Golf A Go at Belmont
 Summer Memberships from \$11.50 a week and Full Memberships from \$12.50 a week
 Enquiries to (06) 349-0559 or office@wanganuigolfclub.co.nz
 Clarkson Ave, Wanganui www.wanganuigolfclub.co.nz

Why buy a home here

House prices in Whanganui have more than doubled in the last five years but the city still remains one of the most affordable places to buy.

Whanganui is the North Island's star performer, with house values here more than doubling in the last five years. The median value of all properties in the city now sits at \$295,000 - up 22.9 percent year on year, although the rate of growth is now beginning to show signs of slowing, with quarterly growth at 1.7 percent.

Houses in Whanganui are considered very affordable compared to property in other regional centres, with first home buyers representing more than 30 percent of new mortgage registrations in December 2019. Affordable price points and strong rental returns have caught the eye of investors, with the buyer group

significantly more active in the region than two years ago.

The suburbs that have enjoyed the biggest house price rises include Castlecliff (up 30.3 percent year on year), Whanganui Central (up 28.9 percent) and Gonville (up 27.5 percent) - all of which

have median values of less than \$260,000, with Castlecliff the cheapest place to find a house in Whanganui.

First home buyers represent more than 30 percent of new mortgage registrations.

A man and a woman are washing a large, shaggy dog in a bathtub. The man is on the left, smiling, and the woman is on the right, also smiling. The dog is covered in white soap suds and is splashing water. The scene is set in a bright, modern bathroom with a large oval mirror on the wall and a yellow storage bin. The overall mood is joyful and domestic.

Wanganui Eyecare

Your local Optometrist

2020 is here, and there is no better time to organise your eye exam!

We are a locally owned, independent Optometrist with over 50 years of industry experience. We work hard to create a positive team culture, and to deliver a patient-focused service in a warm and welcoming environment.

Our Optometrists specialise in a number of areas including:

- General Eyecare
- Treatment of infection, disease and injury
- Dry Eyes
- Myopia Control
- Complex contact lenses including Orthokeratology
- Children's Vision

Supported by the latest in technology, we aim to protect eye health and to provide honest and professional advice.

  wanganuieyecare

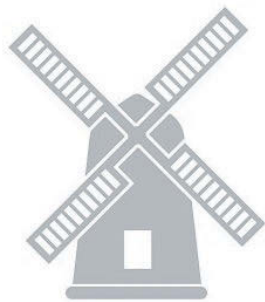

The only True Color Confocal Scanner in Whanganui.

Confocal scanning replaces traditional retinal photography, rendering images of the highest possible resolution.

Detecting subtle changes early is crucial in preventing diseases which may lead to blindness.

EIDON Confocal Scanning is complimentary and included in every eye examination at Wanganui Eyecare.

Mt St Joseph
 14 Hillside Terrace, Whanganui
 PO Box 777, Whanganui, 4541

Josephite Retreat Centre is the perfect venue for seminars, conferences, personal and professional development programmes, business meetings, interviews and retreats.

The Josephite Retreat Centre is housed in the historic building, Mount Saint Joseph, in Whanganui, it is surrounded by well-established ground, farmland and native bush with ample parking available.

The Retreat Centre boasts state of the art facilities offered in a relaxed and tranquil setting that creates an atmosphere that nourishes spirit, mind and body.

Our conference centre setting combines the effective use of natural light and plenty of space. The result... an environment conducive to learning which ensures a successful

event for everyone. The conference room is well equipped with a variety of layout configurations for up to 50 people, with a conservatory and courtyard adjoined. Complementing the conference room is a quiet room with seating for up to 40 people.

On-site accommodation is available. The latest AV equipment is available, 55" LED SmartTV with in-built Internet and Skype capability. Projector, Interwrite board, Wireless Internet, Audio System with headset/ cordless microphones, Laptop and presenter aid.

Catering can be provided and we are proud to be offering our "Brain Food" menu which is designed for keeping the mind invigorated throughout the day. A kitchenette is available fully equipped should you wish to self-cater.
