

Klompenkunst - Clog Art - Voor Kinderen

A National Competition

Laat de (klein)kinderen Rembrandt spelen. Let the kids discover their inner Van Gogh... With something that couldn't be more Dutch – *klompen!*

All 'children' from 1-18 years old can participate. In our national *Klompenkunst* - Clog Art Competition - at the Big Dutch Day Out, in Foxton.

Dust off your clogs – and get creative. And (grand)parents...? Help the lil' ones.

Colourful Art Works – Floating on the River

Are you *Nederlands*? Then you probably have some old clogs sitting by the front door. Don't have any?

That's a great excuse to go shopping at a local Dutch shop, and get some *speculaas* at the same time. Or invite yourself to an old friend's place for a *koffie*, and see what they've got.

Or create a clog from *papier of karton* – any materials really.

The rules are simple:

- Create a Colourful / Arty Clog: traditional or modern (think Delft Blue / Māori art / Mondriaan / landscape / tulips / kiwi or tui / cows / cheese etc etc)
- Make sure it can float – 5 metres (on a string)
- *Option:* Give it a sail? And create a Sailing Clog
- (Grand)parents can help – make it 'seaworthy'. But art should be done by the kids
- Have fun with it all!

And bring your Artwork or Sailing Clog to Foxton, on the Big Dutch Day Out, Sat 23 April.
(or courier the Clog – by Wed 20 April – to the address below)

The Judges will check, if it indeed can float. On the calm waters of the Foxton Awa River:
Artist Ans Westra / Ambassador Mira Woldberg / MP Marja Lubeck / Miller Johnny Langen.
