## COMMUNITY MEETING

 7.30pm**

**Judgeford Golf Club**

**The Objectives of the Pauatahanui Residents Association Incorporated**

To act as a voluntary organisation supported by its members to promote development beneficial to the whole community of Pauatahanui (this includes Pauatahanui, Paekakariki Hill and Judgeford, all adjacent rural localities of Porirua City) by organising and participating in projects designed to

- ➔ Maintain or improve the community and its environment for all residents, while preserving its rural character and scenery
- ➔ Promote the advancement of environmental protection or improvement to its rivers and waterways, with particular emphasis on the Pauatahanui Inlet
- ➔ Encourage residents to preserve and protect its flora and fauna
- ➔ Preserve, protect and record the unique history of the area, both Maori and European

## Road Safety Signs

Through PCC's Village Planning PRA has a budget for safety signs for around the rural area.

We would love to see one on each of our local roads - Paekakariki Hill, Flightys, Murphys, Harris, Belmont, Mulhern, Moonshine, Grays and Bradey.

The idea is traffic calming, safety, and sharing the road; in particular, for school kids, horses and riders and cyclists.

We have gathered some possible concepts. Please think about what you might want to see on **your** road and send us any and all feedback about style, size, location and anything else to [pauatahanuiresidents@gmail.com](mailto:pauatahanuiresidents@gmail.com)

Feel free to think 'outside the square'!!
