

## Rotary Planting Day Bothamley Park

As part of Rotary International's commitment to plant one tree for every Rotary member in the World the Rotary Clubs of Porirua and Plimmerton are planning a tree planting project in Porirua's Bothamley Park.

Nestled between the suburbs of Ascot Park, Aotea, Waitangirua, Cannons Creek, Ranui, and the City Centre, Bothamley Park provides an excellent resource for the Porirua Community who utilize it for walking, biking, and collecting fresh fruits.

Invite your friends and family along for fun filled day of planting in Porirua's green heart. We'd love to have your help!

**When:** Saturday 26th August
