

DISCOVERY GAMES

Dear Plimmerton Rotary Club

On Sunday 8th of April, Discovery School, Whitby will be holding our annual **Discovery X-Games**.

This event is geared up to include an **X-plosive** array of games and activities for teams/families to enter. Last year the kids and local families had an absolute blast in participating in our 25 event stations and this year promises to be bigger and better!

We are opening our doors up to the wider public plus we are aiming for media presence on the day which means more exposure for businesses.

Our website and facebook pages are already up and running and getting more hits daily.

We would love for your club to join us again this year in helping out with running the stations and general help on the day. Your team was absolutely amazing last year.

I have also attached the Sponsorship levels in case you know of any business that may want to also get involved

If you'd like to be involved can you please email xgames@discovery.school.nz or phone Deb Sherwin 0212154450

Please visit our [website](#) and 'like' our [facebook page](#).

Thank you for your consideration.
