

Bras and Knickers for Arohata Women

We are collecting bras (2nd hand in good condition, or new) and new knickers (only) for the women at Arohata Women's Prison. Many women come in to the prison without a supply of underwear. Some have none at all.

Whilst the prison issues limited underwear they are **NOT** a fashion item at all.

If the women can start their day with nice underwear, it makes for much better self-esteem and attitude towards the day ahead.

We collect all sizes and styles and hand them over to Corrections staff at our Zonta meeting on 5th November
