President Message

The Brisbane Conference was an inspiring experience and the nine Zonta Mana members who attended all gained much from the event.

Thursday was taken up with a couple of leadership forums which Barb and Kay attended and the D16 Conference proper got underway at 9am sharp on Friday morning. Of the 668 D16 members 156 were present in the room.

Thanks to our members: Deidre, Linda, Jan and Ngawai for volunteering to act as timekeeper, registration scribes and scrutineers - no other clubs volunteered!! We voted on the five remits and also for the D16 nominating committee: Nicola Bass (Hawkes Bay); Sue Coleman (Hibiscus Coast) and Sue Grainger (Waimakariri), were selected.

Saturday and Sunday we joined the three other Districts from Australia: 22, 23 and 24 for the joint Conference, the first in thirty years. Throughout the two days we were addressed by ZI President Susanne von Bassewitz, Dame Quentin Bryce (past Governor General of Australia) and Dame Therese Walsh, as well as some very talented young women who have been recipients of YWPAs and the JM Klausman awards

It was a whirlwind few days where we met new friends and exchanged ideas and contact details - I've already heard from Jane in Maryborough QLD who wants more ideas on fundraising!

Chicago beckons next year - who's keen?

See you all at the October meeting

Pat

OUR VISION

Zonta International envisions a world in which women's rights are recognised as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision making positions on equal basis with men. In such a world, no woman lives in fear of violence.

Australia and NZ Centennial Anniversary Conference 2019 - Highlights from the Mana club representatives

Pat said: I enjoyed the membership workshop which was run by Belinda Moore a professional membership specialist. She focussed on encouraging younger women to join by adapting the club to fit them and not expecting them to adapt to fit the club. (Attached is photo from the conference of Ngawai, Pat, Linda and Deidre)

From Ngawai: This was my fifth Zonta Conference I have attended & the first overseas. Highlight for me (there were many) was the "Opening Ceremony" where Dame Therese Walsh DNZM New Chairman of Air New Zealand was the keynote speaker, 'what a delight she was. There was a Welcome from an Aborigine Tribeswoman Plus a Kapa Haka Group based in Brisbane. They both set the atmosphere & warmth of what the following days were going to provide. Both National Anthems were sung & I was tingling when we set off to the Cocktail Party after having the large group Photo taken.

(In the attached photo is Helen, Carolina, Jan, Barb and Kay)

From Kay: Gutsy was the key word in all addresses from these women of influence. Human rights across a broad spectrum of women, families, rural, regional, aged, indigenous peoples, all supporting women to achieve their full potential.

Helen R said: This is the first Zonta conference I have attended which presented two dynamic and very interesting speakers who are involved in STEM (science, technology, engineering and mathematics) research. Their topics included aeronautics, robotics, aerospace, astronomy, radio telescopes and black holes.

Jan said: The highlights for me were hearing the stories of interesting and motivational women and enjoying the fellowship of Zonta Mana club members.

Barb says: Leadership Master Class: Empower Me. This class was facilitated by Lynne Foley, and an extra to the conference, which Kay and I attended. Lynne has a passion for inspiring and influencing people of all ages to attain their aspirations and potential in our fast changing, technology driven world. She was an exciting motivational speaker who delivered her message with lots of humour alongside ideas, thoughts and challenges.

Australia and NZ Centennial Anniversary Conference 2019 - Highlights from the Mana club representatives

Carolina's Highlights: I thoroughly enjoyed the Zonta Australia and New Zealand Centennial Anniversary Conference in Brisbane.

We first had the D16 District Conference on Friday 7 and, although that was a shorter version of the usual D16 conference, it was nevertheless important to get through business such as electing the new D16 Board for 2020/22. There were almost 160 from D16 who made the trip across the Tasman, what an amazing effort!

On Saturday I attended the PR & Social Media workshop. I found this to be quite useful as this is an area that we need to embrace more and more if we are to attract younger members. The 1.5 hour workshop was led by a professional consultant who was excellent at focussing on three main areas: Identifying your Audience, Content Creating Checklist and Encouraging Engagement. A key take-away was that Club members can play an important role in supporting our social media, especially Facebook by making sure that they share, comment and tag a post in order to spread the word, especially for events promotion.

District 16 Conference:

The Abortion Legislation Bill draft submission was presented. The District 16 Board has approved the Advocacy Committee proceeding with a submission to support the proposal to decriminalise abortion in New Zealand. The approach and nature of the submission was supported by a substantial majority of the District 16 club members attending Conference.

Zonta Club of Mana's September Guest speakers was **Liora Noy - PADA Educator/ Relationship Manager**. Liora is a Registered Nurse and Lactation Consultant (IBCLC), with a Master's Degree in Public Health Education, She spoke about perinatal mental health and about the PADA organisation to Mana club.

Hi team, It's Val from Topor. I'm wondering if I'd be able to ask you for a favour? Kaye Barr has been doing regular baking for our NICU families.
