Rotary Club of Plimmerton

Dear Phillip

On behalf of the Rotary Club of Whanganui, I am writing to express our deep appreciation of your contribution to our latest successful Book Fair.

Although we had a large volume of books as a result, we were thrilled with the very high standard of the books. We did find the boxes rather fuller than we aim for here, but a few extra arm muscles didn't seem to go amiss. We also found the trestle tops, which we modified slightly and the stands extremely useful. These allowed us to display many more of our books than previously. Customers were able to move around them freely and, as a result, they bought steadily over the sale. We can also utilise a few for our sorting process throughout the year.

As a result of your generosity, we will be able to offer a smaller, extra sale later in the year and dedicate the proceeds to the Wellington Children's Hospital. Another win-win all round!

We wish you all the best for your future fundraising activities.

In the spirit of Rotary,

Kate Smith

Book Fair Co-ordinator
