Give Every Child A Future - Our Australasian Centenary Project

A Christmas E-Card That Makes A Difference

Christmas in Australia and New Zealand is coloured red and green with poinsettia, bottlebrush and pohutukawa. In the Pacific, the brilliant red flame trees mark the festive season.

As you see these bright colours and join in this time of celebration, please help Rotary Give Every Child A Future take care of children in need, not just at Christmas, but all year round.

Your Christmas gift will enable us to immunise Pacific children against life-threatening childhood diseases and protect young girls and women from cervical cancer.

Make a donation in the name of your family members or friends and send them an E-card, whether they are close to you or far away in this COVID-19 year.
