## Decision on NZ Redistricting

- Noting that 9970 and 9980 Redistricting is underway to create 9999 in 2022/23
- Requests Districts 9910, 9920, 9930 and 9940 (American Samoa, Cook Islands, Fiji, French Polynesia, Keribati, New Caledonia, New Zealand, Norfolk Island, Tonga, Samoa and Vanuatu) to develop a consolidated plan for submission to the Districting Committee by 1 July 2022 for implementation effective 1 July 2025 and further grants a redistricting exception to these districts during this time.

Regionalisation Pilot – Future is a Section Leader.  
The move to Area Governor takes a step in this direction.

## SECTION LEADER

- ➔ Supports and motivates clubs to set and deliver on their own goals in alignment with Rotary's strategic priorities.
- ➔ Focuses on leadership, motivation and connection between clubs and participants rather than administrative responsibilities.
