Belt and Road Initiative

Belt and Road Initiative

In 2013 one man decided to revive it.
He saw it as the road to riches and legacy.

His name is Xi Jeng Ping

He called it The **Belt and Road Initiative**.

He roped in several countries.

40% of Global GDP

65% of Global Population

75% of known energy reserves

Belt and Road Initiative

Belt and Road Initiative

The Belt and Road initiative is called

Yi Dai Yi Lu

Cost 1 – 8 Trillion \$

Belt = The Maritime routes

Road = The Land routes

Belt and Road Initiative

BRI is NOT a GIFT but a DEBT TRAP

A means to lure developing nations to borrow more than they can afford

When they are unable to pay they get enslaved by critical assets being seized as collateral.

Belt and Road Initiative

Belt and Road Initiative

How is this helping CHINA?

BRI is *only* expected to grow China's economy by 0.1% in the next 5 years!!

2nd Strategy is what is called the
“String of Pearls” Strategy.

Belt and Road Initiative

Belt and Road Initiative

China is building naval bases in the Indian Ocean and beyond to station war ships, control shipping routes and dictate trade routes.

It is the strategy for WORLD domination.

Belt and Road Initiative

Xi Jeng Ping's dream of a superhighway is unfortunately full of

“POT HOLES”

due to the various countries moving to sever debt and being unable to pay back the loans.

The BRI is now being called
BELT AND MANY ROADBLOCKS
