New Charitable Trust Fundraising Project

De-clutter Delight

At a recent committee discussion, the Communications Team came up with a new concept to raise funds for the Trust account.

It is simple! You have stuff you no longer want; you are apprehensive about disposing of it, so let *De-clutter Delight* know and they will find a place of new love to send it to.

You pay nothing and *De-clutter Delight* pays all the proceeds to the Trust.

You get to live un-cluttered once more and the Trust gets to do more in the community.

The but is they will not accept anything that is destined for refuse or recycling.

The team already have their first items to re-love and are ready to take more so, contact either Mike Scott or Phillip Reidy.
