JUST JANET

At our last meeting we were extremely well informed on the how The Life Education works with the school children in our area by their very enthusiastic presenter, Marsha Chiet. That was the first time Marsha had made a presentation to an adult group, I thought she did very well. And, how appropriate was Judy Parker's Parting Thought ... "Take care of our children. Take care of what they hear, take care of what they see, take care of what they feel. For how the children grow, so will be the shape of Aotearoa." Dame Whina Cooper.

You will read in The What's on Calendar "20th May PINK RIBBON HIGH TEA. At our committee meeting last night we decided that this year we would join forces with the Judgeford Golf Club who are hosting this event. It's a Monday morning and the Club's fabulous caterers are doing the food. Cost is \$20.00 cash and there will be raffles. Please bring a friend or neighbour with you to support this most worthwhile charity. Alison McGregor 234 8133. Is the contact for this.

The apple season is coming to an end for another year. We have had many children coming to pick their "very own apples" and last week a Kindergarten group came. I usually host this particular group but as I was indisposed, Phillip was in charge. At the end of the morning whilst in a circle, they sing a song for me "Janet picked an apple rosy from the tree etc" Not this time—I watched as a few of them ran across the lawn and took him by the hand. They disappeared into the rhododendrons. There they were up the Magnolia tree and from their perches sang to him. !! He thought he was in a Sound of Music performance. The photo shows him with two little boys who were treated to a "drive".

There is another photo of Georgie who courtesy of grandchildren is currently masquerading as a pink unicorn but alas lost her horn. Now they're hoping for pink lambs.
