

INNER WHEEL OF PLIMMERTON February 2014

A NEW YEAR WITH HALF OF THE INNER WHEEL YEAR ALREADY ORGANISED!!!

President's Snippet

Greetings Everyone

Can you believe the first month of the year has gone already? As this is the first newsletter for the year I would like to take this opportunity to thank Pauline Lowe again for a fabulous evening at her place in December and also a thank you to Janet Reidy for hosting once again our Pizza and Plonk evening in recognition of International day. You all looked fabulous in your International clothing and it just showed what a well-travelled group of people we are. Both nights were a lot of fun.

Brenda Callear and Sue Couch have been cutting away this summer and have packs ready for you to get sewing silky pillows. I will bring the packs to the next club meeting but if you

want them before then give me a call.

Our next meeting will be a very full on one with a guest speaker from the Neo Natal Unit, a tutorial from Adrienne on accessing the Inner Wheel Newsletter and Rotary Bulletin via the Plimmerton website. And a decision to be made on our incoming committee, we still need a Vice President!

I look forward to seeing you all for friendship and information.
Yours in friendship

Debbie

THANK YOU

To those who have expressed an interest in being part of the Inner Wheel Committee for the 2014/15 year.

Whilst some are Committee members from last year and we have a couple of new members

there are still a number of positions that need to be filled.

The skills and talents that YOU have can definitely be put to good use. Please talk to Pauline Lowe (23463443) the current Vice President about YOUR involvement to ensure that the coming year is full of fun and fellowship.

Assistance for Meryl Evans and our District Training Day please

A reminder that we are due to develop and manage the District Training day this year in preparation for Meryl taking on the role of District Chairman.

The day will be held at our own venue – Aotea College. We need to cater for the day and assistance will be required for the kitchen through the day.

Meryl needs our help. Please contact Debbie Howard if you are able to assist on Saturday 15 March.

Remember the Inner Wheel Christmas Party?

Everyone managed to find their way there via the maze designed as a Car Rally.

Pauline delighted us with a beautifully decorated home and even coaxed Santa into coming along
