

INNER WHEEL OF PLIMMERTON

April 2015

PAST PRESIDENTS OF PLIMMERTON INNER WHEEL WHO ATTENDED THE 25TH ANNIVERSARY CELEBRATIONS

Pauline's Ponderings

Dear Ladies - there seems to have been an explosion of activity and events recently and of course one of the most - if not the most - significant for me has been the birth of our first grandchild, Roman Lowe. To say that it has been a wonderful event is very definitely an understatement.

However, we also have so much to celebrate as a club with the fantastic celebrations and service we have given since we met last month. Firstly there was the 25th Anniversary and we were so thrilled to see such a great turn out. It really was a momentous occasion for us as a club

to reach this milestone and also for you ladies who have been in and served the club in so many of these years to be able to get together and reminisce with some of the ladies you have not seen in quite some time. You all deserve special thanks for your contributions!! It was fantastic to be able to honour two of our members, Judith McLay and Jenny Harris with Honoured Active status. My great thanks to the organising committee of Carolyn Wallace, Dianne Roberts, Velma Knight, Carol Woodfield and Judith Tanner. You were all wonderful!

From our party we were back to the fun and team work that put together and made such an amazing event of the Rotary Book Fair café. Judith Tanner and Marg Pine did a fabulous job pulling all this together and all of you ladies who contributed with either food or serving - or both - sealed the opportunity to make it the marvellous success that it was, not only a record profit but a fun filled way to serve. So very well done to you all!!

At our meeting on Tuesday we have some real treats for you - two of which we can be up front about are the presentation

that Debbie Howard will make to the Neo Natal Unit on behalf of our Charitable Trust, another will be our speaker, Kim Norton, from the Blind Foundation - and then some surprises in store for you as well. It will be a great night and I look forward to seeing you there.

This meeting will also be an opportunity to get your tickets to the Fashion Parade and the Movie night. Please think of how many of your friends you can invite to both events - even if you cannot make it yourself give them the opportunity to have a fun evening out!! Carol Woodfield will also have the Entertainment book sign up info for us as well.

So ladies - have a wonderful weekend, take a deep breath and prepare for our next meeting!

Looking forward to seeing you

Yours in friendship
Pauline
