JUST JANET

Thank you, I still can't believe you did that to me—the Honoured Active Award—I just do what I want to do and because I can! I always wanted a sister and now I feel I have about 60.

We had our first committee meeting on Monday. We have a great group of ladies who are very keen to make this a beaut year.

If you have any suggestions, there will be a suggestion Box available at each Club night for ideas

- A group/groups we can learn about and support
- Potential speakers

The National Governing Body of New Zealand has asked all clubs to continue with the support to Look Good Feel Better as the New Zealand Charity of choice and the Ruel Foundation for our Overseas Project.

Last year we held a Movie Evening for Look Good Feel Better and raised \$1107.80 (that included Donation Boxes we had on the tables)

To the Ruel Foundation, we gave \$500.00 from our Club funds

Your feedback on what and how we can or not support these charities would be appreciated. The Tawa Club are planning another Women's Expo.

Maybe we could work something with them. As I said, your thoughts please.

THIS WEEK AT THE ORCHARD

We have had a group from Victoria University doing an Ecological Study on Ration Creek. Today I peered through a microscope at the tiniest snail; its head actually looked very like a hippopotamus's (There you go!!)
