Yvonne's Thoughts.

Greetings ladies,

What a lot of fun we had last month at our September meeting. So many of you took part in our own WOW evening and what a lot of laughter we had! This was followed by Carol speaking as our District Chair and reminding us of our core values as Inner Wheelers. Thank you Carol.

Many of us followed this with an evening out at Wearable Arts in Wellington. It was a fabulous show and raised \$5,921.05 for Neonatal. Neonatal have also benefited from several craft groups and many of you working away in your own time on sewing together or even knitting from scratch, more blankets. Last night at our committee meeting we counted another 12 blankets. When we tried to add up the total hours put into making these, this year we were up around 80 hours!. What a great effort and they look fantastic!

Two weeks ago, seventeen of us headed over the hill to Martinborough, to Walk and Talk with the South Wairarapa Club. It's always lovely to head out of Wellington into the country for the day, and this was no exception. We sat around at tables outside, getting to know or catching up with old friends. The food and company were both wonderful. This was followed by a visit to Stonehenge where we were given an interesting, informative talk. A great day was had by all.

When I look back on this month, I can't help but think how fortunate we are in Plimmerton Club to enjoy such a wide variety of activities with such an amazing group of ladies.

*Yours in friendship
Yvonne*

The South Wairarapa club put on an amazing lunch in the most beautiful garden setting.

And then we were educated by Richard Hall on the history and science of stone henges and celestial navigation matters.

The September meeting was our Wearable Arts competition. Lots of laughter as Janet wobbled down the catwalk as a teapot and Joy shuffled along as an old bag, just to name a few!. Thanks to Meryl our wonderful compare and her team of judges. An unenviable job
