Using the Kamar Parent Portal to Access Attendance and Achievement Information

Onsite Visits During the School Day

Any adults coming on site during the school day need to sign in at the school office. Students who come in after Learning Coach has finished in the morning should also sign in. For student safety, please do not drive around the school ring road during the school day, just park out front. The front of school is very busy at the end of the day and it is a good idea to pick up students from the road down below.

Bringing Vehicles to School

Any students bringing vehicles to school need to have a provisional or full license. They cannot have other students in the vehicle unless they have a full license. All student vehicles should be parked in the carpark behind the Administration Block.

1. Support Services Available at School

Nurse—a nurse is available every day at school. Students should go to the office to arrange to see her.

Doctor—a doctor comes in to school each week (make an apt with the nurse or office??)

Physio—a physio comes once a week ???

Simply Dental truck visits

Social Worker—we have a Social Worker, Sue Jones, in school full time who can support students. Students can request an appointment through the school office or by leaving a request in the K2K area.

Guidance Counsellor—we also have a full time guidance counsellor, Steve Barnsley. Students can request an appointment through the school office or by leaving a request in the K2K area in the administration block.

Careers Advice—we have two careers staff to support students. Georgina Walker is the Head of the Transition Faculty and will have careers advice with students, which whanau are welcome to come to. She is supported by Anne Knight who does the careers administration. Their offices are around the corner from K2K, in the administration block.

Playing Sports at PC

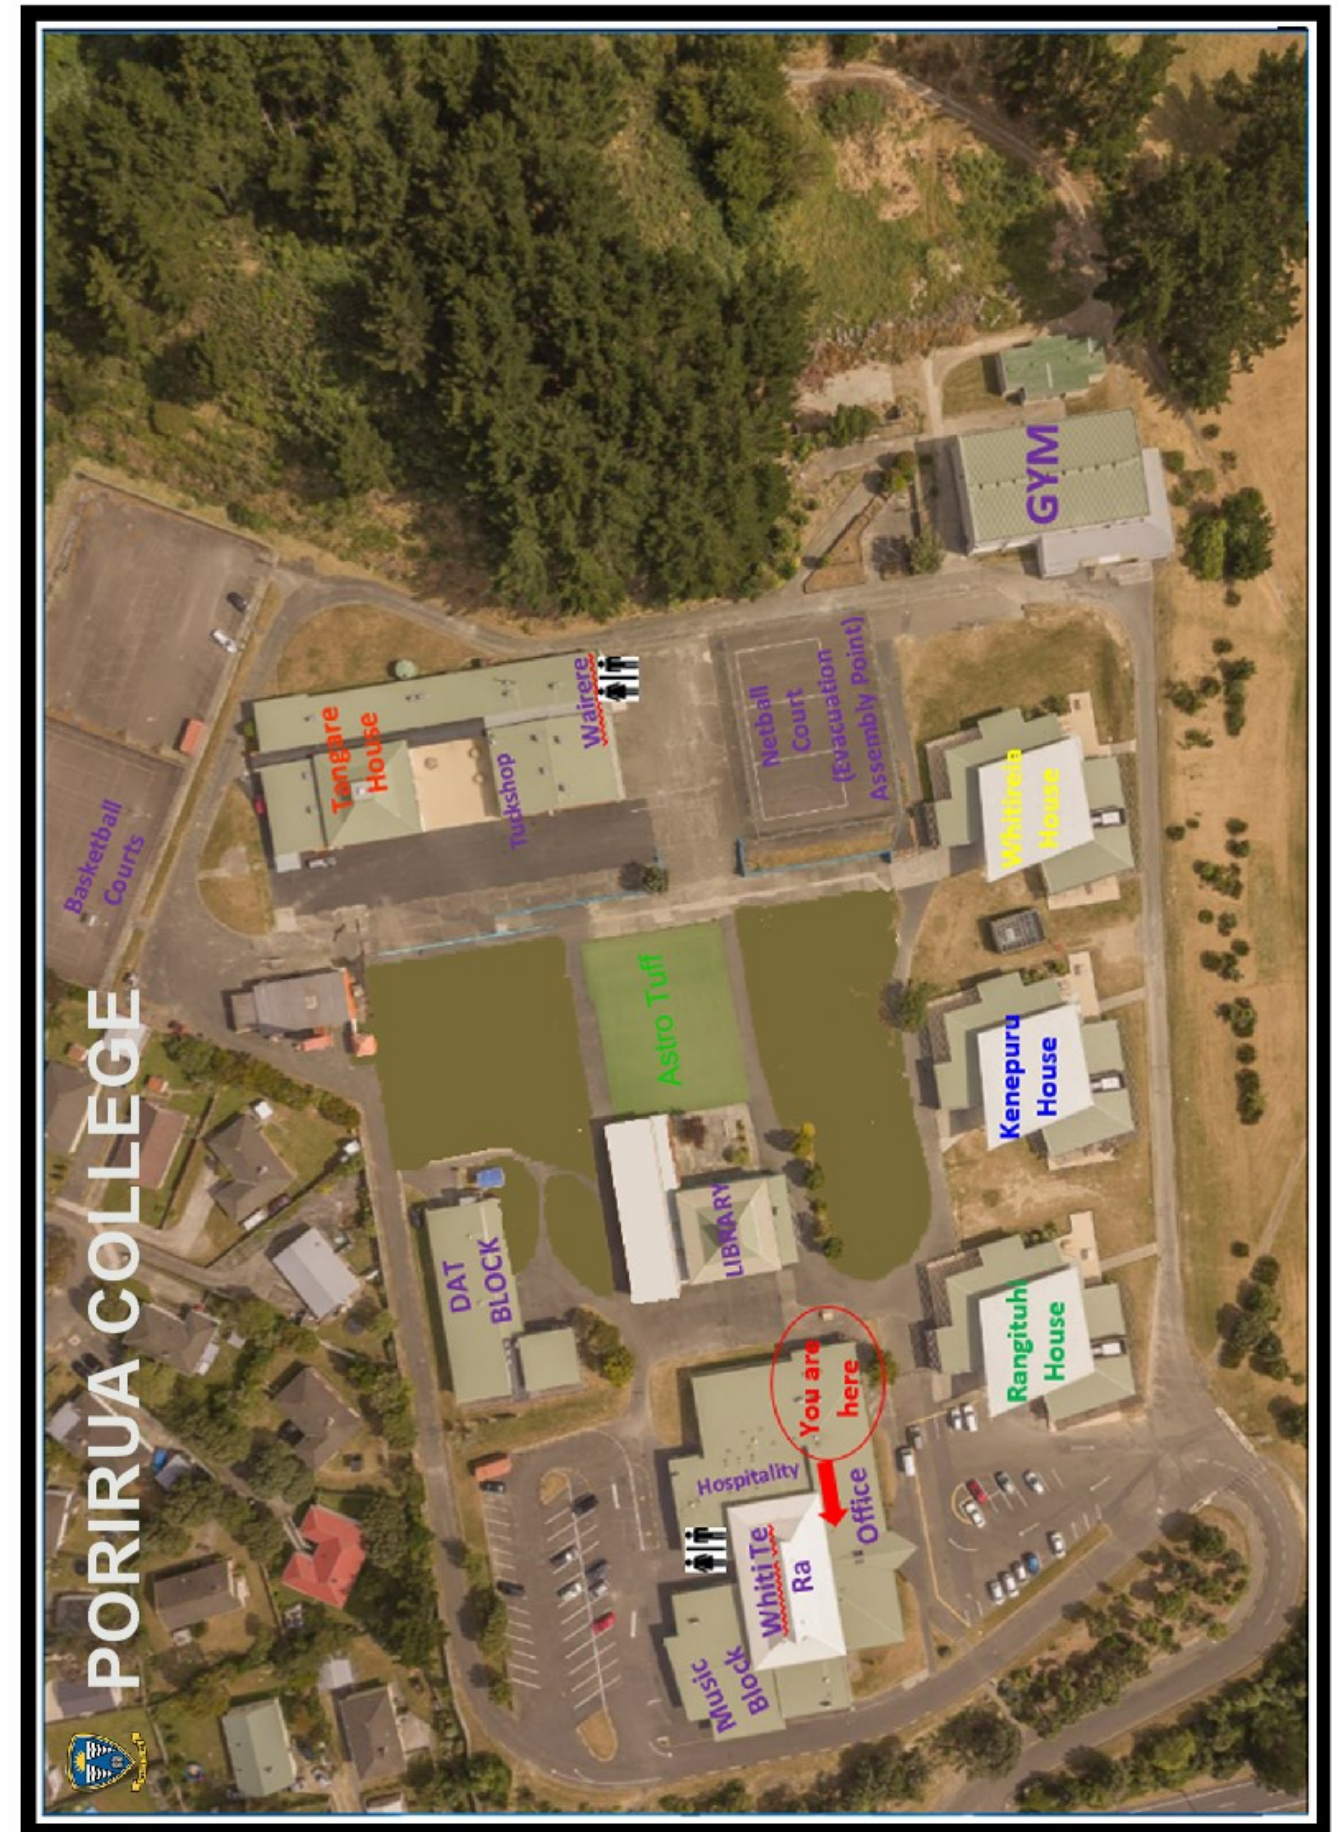

Your Learning Coach

All students will be meeting learning coaches in your houses at the start of the year. Your Learning Coach will be working with you throughout the year to develop and achieve your goals—academic, social and involvement in the school. You will do some goal setting on the first day and follow up in meetings with your parents and LC on Thursday 15 February. If students need any extra support at any time, make sure you talk to your LC or Pastoral Leader. Parents are always welcome to contact the LC or PL to talk on the phone or arrange a personal interview.

All students need to attend LC time in the morning to do the register, hear the notices and check in with your LC. During LC periods, you will also have regular personal meetings to discuss your progress, as well as developing your personal learning skills. Year 11 will also be doing some credits during this time, to help you get to the 80+ credits that you need in 2018.

When a student is absent

We need to know about all absences on the day, to be sure all our students are safe. Please phone the school absence line on 04 237 5465 extension 1. Please leave a message about how long they will be absent for and what the reason is. We need to fill in whether it is an illness, dentist appointment, etc.

Back To School

Term 1 Key Dates

23 January
Uniform shop opens

25th January
9am -12pm Senior course confirmation in Hall.
All seniors must attend for about half an hour

31st January

KAMAR Portal has been made available for registered primary and secondary caregivers to look at information about their student and for students to look at information about themselves.

see?

Primary and secondary caregivers and students will get slightly different menu options. This could include information such as attendance[#], timetable, as-
signed NCEA credits (if applicable) and the daily notices for your student.

Get access?

Primary and secondary caregivers will be sent, by letter, a unique login and password for each of their students. Log in to kamar.pen.net.nz and enter your details and click login. Students should use their regular school network (not Google) and the password to access the KAMAR Portal.

Is my information secure?

You do need to play your part in keeping your login and password safe. Do not share this with other people. If you think the information has been compromised, please contact the school's office immediately.

Have problems or issues?

If you have any problems or concerns, please contact the school's office.

KAMAR App

You can also access the Portal through the KAMAR app that is available for iPhone and Android.

Download the App onto your Device from the App Store / Google Play

In settings enter the Server Address: <https://portal.ohs.school.nz>

Login using your username and password.
