## Porirua College

TERM 2 WEEK 3 - 17<sup>th</sup> MAY 2021

### Principal's Message

Kia ora koutou katoa,

It's great to be back for Term 2 with all our students after an amazing Colours Day at the end of Term 1. I want to thank our students and whānau for your support and understanding when we lost Phil Skipworth. It was heartwarming to see so many of you during the tangi, paying respects and sharing the aroha we all have for a unique person. We miss Phil every day, but we also know how to look after each other through the lessons he taught us.

have something you've always wondered about, do just email and ask so that we can include your question. Also, come along to the NCEA information evening Tuesday 18 May 6pm in Rangituhi (Green) house.

Do keep encouraging students to come to school every day and focus on learning, but please also understand that anyone with a sore throat does need to stay at home until they are better. Just let us know if they are ill and stay in touch!

Ngā mihi mahana,  
Ragne Maxwell  
Principal/Tumuaki

### In Memory of Phil Skipworth

Phil enjoyed words so here are my words for Phil.

We call ourselves K2K, kanohi ki te kanohi: face to face, as demonstrated by the hongiri harirū.

The hongiri begins with the joining of hands, which speaks of the way Phil connected with us all, particularly the way he held us together, held us up so that we can connect with others, hold each other up.

Next as we hongiri is sharing the breath of life, tihei mauri ora, which reminds us of all that Phil shared with us, including his life stories. Some old stories were difficult but Phil had created new good stories so demonstrated to us not to get stuck in our old problems but to grow new stories of hope and goodness.

Then there is the kihi, kiss, which speaks of aroha. Phil shared his heart of aroha with us so that we might have more aroha for each other, including seeing beyond appearances and circumstances to look for the aroha in each other's hearts.

Finally, there is the shared kai. Phil was generous with kai, always caring by feeding students. Let's be generous in our care of each other as we grieve.

Sadly no more kanohi ki te kanohi, face to face, but gratefully always heart to heart.

"Grief never ends, but it changes. It is a passage, not a place to stay. Grief is not a sign of weakness nor a lack of faith: it is the price of love." (Elizabeth 1st)

By Steve Barnsley - Guidance Counsellor

We welcome Karl Payne and Franki Light to the Senior Leadership Team for Terms 2 and 3. They will be Acting Deputy Principals while John Topp is away on well deserved study leave to complete his Masters of Secondary School Leadership. We also welcome Franki Traini as our new second in the Physical Education Faculty and Rhonda Turner as a permanent PE and Transition teacher.

All the very best to Katherine McKinlay who is leaving to spend some time with her young family. She has been an inspirational Head of English and we will really miss her.

Students just keep arriving this year and we had to open an 8th Year 9 class last term, so all houses now have two Year 9s. We have really enjoyed welcoming them all to life at PC. The older students are being real leaders in how we use our voices, take action as learners and respect our identities and those of others. This year we are particularly appreciating sharing the free school lunches together in houses. Hot meals are going to be a regular feature as the weather gets colder. Practices for polyfest will also help us all keep warm! If anyone has problems getting warm winter uniform, please let us know so that we can help out.

Our final 2020 NCEA results have come through and we are really proud that of all our Year 11-13 students who left PC last year, over half of them had passed Level 3. Students still here who gained endorsements at Level 1 or 2 were celebrated and given badges at an assembly at the start of this term. We do get asked lots of questions about NCEA and other issues so we have decided to start an FAQ (Frequently Asked Questions) area in our website and put these in newsletters. If you

## Staff Changes

### We Welcome Rhonda Turner

Hello, Talofa, Tena koutou. I am excited to being permanently appointed to the Physical Education and Transition departments. I have been fortunate over the last few years to have been working at Porirua College and NZQA, both positions in part

-time roles. I look forward to teaching and working with your child, helping them on a pathway towards their dreams and ambition.

### Kia ora koutou!

My name is Franki Traini and I have joined the Health and Physical Education department.

I am originally from South Africa and have been enjoying the beautiful Aotearoa for the past 8 years, the land I now call home. I am excited to be a part of the vibrant Porirua College community and look forward to sharing my passion for life long physical activity with our students. In my spare time you'll find me walking my dog, hiking, surfing and enjoying quality time with the special people in my life.

I can't wait to meet you all!

## Farewell

We farewell, Ms Katherine McKinlay, Mr Kevin Markland and wish them both well.

## Frequently Asked Questions

### How can I monitor my child's attendance and progress?

It is now possible for you to access a student's timetable, attendance and achievement at school using the internet. Access is through the Porirua College Website, click on Parent Student Portal and enter your login details which have been emailed earlier in the year. If you require them again please contact the school office.

Throughout the year reports and assessments will be posted on the portal and you will be able to access them at any time.

## Sports Notices

Porirua College is making huge strides in a new and growing area of competition : Esports. After a trial tournament last year, our students have organised, with the help of Mr Daly, two teams to compete at the regional and national level. Porirua College is competing in the NZSSEL NBA2k21 5v5 tournament and the CSW League of Legends Division 2 League. After practising through the school holidays our League of Legends team, captained by Hayley Pawley, won their first game against Queen Margaret's College on May 12.

### Sports at PC

Sports at PC is now fully underway with our teams competing in multiple sports tournaments such as the Esports, Futsal, Rip Rugby and Volleyball Regionals Tournaments. Our Winter Sports teams are now underway and we have multiple teams in Badminton, Basketball, Esports, Netball and Rugby Union. Exciting events coming up include the first Beard Cup Trophy match this Wednesday 19th May at the Jerry Collins Stadium where our 1st XV will face off against Mana College.

### Sports Fees

Just a reminder Sports Fees for weekly competitions is \$30 for every sport. This must be paid at the office. 1 day tournament fee is \$10.

### Sporting Achievements

Our Senior A Girls Volleyball team competed in the NZSS Volleyball Nationals Tournament on 22nd - 26th March in Palmerston North. They won some very close matches and managed to secure a spot in Division 3 and in the Top 4 of Girls teams in the Wellington Region that competed in this tournament. Well done girls!

Our Esports Team, Senior 3x3 Basketball team and Junior/Senior Boys Rip Rugby teams also made their final in the College Sport Wellington tournaments held in March.

### Congratulations to the following students on their Sporting Achievements so far this year:

Tevita Finau - IPC U19 Black Volleyball Male Team  
 Gladys Foisaga - IPC U19 Volleyball Female Team (Reserve),  
 Tournament Team in the College Sport Volleyball Regionals Tournament

### What About Me Survey

Approximately 150 students from our school have been randomly selected to take part in a Health & Wellbeing survey on Tuesday 25<sup>th</sup> May. Responses from our students will contribute towards government decisions to:

- Support healthy development as young people grown into adulthood
- Keep track of government funded policies and programmes to make sure they are working for young people
- Get better outcomes for young people through helping to improve policies and services

If you would like any further information about this survey, please contact Melissa Cathro, Policy Manager, Child and Youth Policy, Ministry of Social Development, tel: 027 201 4290, email: [melissa.cathro002@msd.govt.nz](mailto:melissa.cathro002@msd.govt.nz)

## Colours day

To end term one our kura celebrated in typical Porirua College style! Our four houses took part in an amazing day filled with haka, chants, dance, sports and most importantly school spirit! Whiti Te Ra was packed with ākonga using their voice, taking action and being proud of their identities. Congratulations to our student leaders who helped to organize such a successful day. Ka mau te wehi PC!
