

# South Island Stroke Webinar - FREE!

Stroke service providers and stroke teams from across the continuum of care are invited to join this free session.

**When:** Tuesday 2 November 2021 from 4pm – 5pm

**What:** Transitions – seamless continuum of care

**Speaker:** Julia Slark, PhD, RN

Head of School of Nursing Faculty of Medical and Health Sciences  
University of Auckland

**Julia will discuss joined-up services and transitions:**

- Transitions from a patient perspective – what are the issues?
- Which transitions are important? Acute to home, acute to rehab, rehab to home, inpatient rehab to community rehab, finishing community rehab?
- Theoretical/literature on transitions – what does literature say works?
- Transition of care plan
- What staff can work on
- Local unit's quality improvements in this area
